## CIRCULAR

Sub: Launch of online IPR course by VTU.

With reference to the above this is to inform that, VTU E-learning Centre in association with Origin IP Academy Bangalore have launched an online Course on Intellectual Property Rights(IPR) to make VTU faculty/students to learn various skills needed for Research and Development.

The curriculum of the courses is designed by the IP experts including academicians keeping in view of the industry needs and further the course can be accessed online and at the end of the course students can appear for exams, subsequently they are eligible to receive a certificate from VTU. The course is available at <https://vtu-oipa.learnworlds.com/>, and also on the home page of VTU website.

This course is primarily designed to increase students' awareness and knowledge of Intellectual Property (IP) and thereby make him/her 'Industry ready' for a differentiated career in research and development, IP, Law etc. It has also been designed to bridge Industry and Academics gap, which is a consistent pain point highlighted by industry when they talk about inducting new talent. With most of the fortune 500 companies in Automotive, Pharma, Life Sciences, Manufacturing, IT etc., setting up R&D Centers in India and Global Industry looking at India as a preferred destination, IP trained professionals are going to be in great demand and this course will help cater to that demand.

A series of workshops on IPR all over Karnataka will be conducted soon, for highlighting the benefits of this online course. For more details and information, you may contact Dr. P. Sandhya, Special officer, VTU e-Learning Center, Mysuru, Mob. No. 9480126436, e-mail- [elarning@vtu.ac.in](mailto:elarning@vtu.ac.in).

Hence, you are hereby requested to bring this circular to the notice of all the faculty and students of your college and intimate them to register their names for this online course.
