Company Profile:

TVS Training and Services Ltd (a TVS group company) instituted in 2010, provides training in a variety of domains from automotive and engineering fields to communication and personal development.

Industry and business in India have undergone dramatic changes in recent years in the methods of production, adaptation of new technologies, expectations of a new work culture, in the demand for a qualitative and competent work-force.

There is a huge need for training skilled personnel in various sectors. It is this need for competent trained personnel at all levels across all domains that has inspired the TVS Training and Services to offer custom designed programs to fit the needs of the customer.
