JOB PROFILE

Position: Associate Software Engineer (After successfully completing Internship Program)

SALARY: BEST IN THE INDUSTRY

JOB DESCRIPTION

Sunquest Internship Program is a new and more efficient way of selecting the brightest and best candidates for our Associate positions. Shortlisted candidates are put through a couple of Tests (one that tests the Aptitude, Logical Thinking and Language skills among others, and another one being a hands-on Coding Challenge) followed by a Screening Panel. Once candidates clear these two gates, they will be taken in as an Intern for a duration of about 8 weeks. During this program they will be trained, mentored and exposed to real world assignments and tasks. Their performance will be monitored closely throughout this duration and at the end of 8 weeks, the best of the lot will be offered employment opportunities at Sunquest.

Qualification: BE, B.Tech, M.Tech, MCA, M.Sc. (IT). (BE/B.Tech- Streams: Computer Science, Information Science, Electronics & Telecommunications)

Eligibility Criteria: Candidates with 55% (Overall average) & above are only eligible to apply for this internship program

Duration of Internship: 2 Months (8 Weeks)

Benefits during the program: The Selected candidates would go through 8 Week Program as 'Interns' & if they have performed well in this duration they would be offered a permanent role as an "Associate Software engineer"

NOTE: If the candidates have not performed well in the first month itself then they would not be eligible to continue for the next 4 weeks of the internship.

ASSESSMENT : HireMee ASSESSMENT(MANDATE FOR ALL THE STUDENTS)

- TECHNICAL CONCEPTS SKILLS
- ANALYTICAL (APTITUDE) SKILLS
- TECHNICAL PROGRAMMING SKILLS
