Company Profile:

Quinnox is a business and technology solutions company headquartered in the US, with offices in the UK, Germany, France, India, South Africa, and Singapore. We have three state-of-the-art development centers in India supported by ISO 9001:2008 and ISO 27001:2005 certifications, CMMI SVCV.1.2 Level 3 processes and SSAE 16 audit compliance.

Quinnox offers the full spectrum of IT lifecycle solutions, from development to support services, including packaged implementations and product development services. We provide these solutions and services with specialized focus on the following industry verticals : Financial Services, Manufacturing and Service, Retail and Distribution.

We leverage strategic alliances with technology product companies including SAP, Calypso, and Oracle, among others—to offer collaborative, cost-effective and high value solutions to our clients. Quinnox is led by senior and seasoned professionals, in both business and technology, who have held key executive leadership positions in major banks, consulting groups, and technology products companies. All of us are focused on only one mission—accelerating success for our clients and employees.
