SUB: Deputing faculty for the valuation of answer scripts-reg.

At the outset, I thank the Principals and faculty members of constituent and affiliated engineering colleges for their support in completing the valuation of examinations conducted by the University during June/July 2017.

As you are aware, the University introduced One Time Exit Scheme and the students admitted under this scheme were allowed to attend classes irrespective of number of backlog subjects. Such students are appearing only for arrear papers. The eligibility of these students will be ascertained only after the results of Dec. 2017/Jan 2018. Only eligible students will be permitted to appear for the special examination to be conducted during March/April 2018.

The whole process depends on how fast the valuation and subsequently revaluation are completed, as it is necessary for the University to complete the process of result announcement including revaluation results before conducting March / April 2018 examinations.

Please note that, this time 1) Engineering Mathematics Answer scripts are allocated to only two centres i.e. BIET, Davangere and VTU Regional Office, Bengaluru and 2) Architecture Answer Scripts are allocated to R V School of Architecture, Bengaluru.

Hence, the Principals of Constituent and Affiliated Engineering Colleges are requested to depute the faculty members who have received appointment orders or SMS or email to attend the valuation. If any faculty members who have received appointment orders for valuation is having any other duties in respect of examination, kindly make alternative arrangements, wherever possible and direct the faculty members to attend the valuation on priority.

Further, the Principals are requested to personally instruct the faculty members to attend the valuation without fail.
