## ABOUT THE INSTITUTION

### Vidyavardhaka Sangha ®

Vidyavardhaka Sangha (VVS) stands as a synonym for quality education in the Heritage city of Mysore. VVS was established in 1949 by two great visionaries Late. Sahukar Channaiah and Late. K Puttaswamy (Former Minister of Karnataka) to impart quality education to all sections of the society. There are ten educational institutions starting from nursery to engineering college under the aegis of VVS.

### VVCE – A Centre of Excellence in Technical & Management Education

Vidyavardhaka College of Engineering, popularly known as VVCE, is one of the most prestigious engineering colleges in Karnataka. Established in 1997, VVCE has grown in leaps and bounds. VVCE is affiliated to Visvesvaraya Technological University (VTU), Belgaum, approved by AICTE, New Delhi and recognized by Govt. of Karnataka. VVCE functions through its Board of Governors constituted as per AICTE guidelines. VVCE is accredited by NBA. VVCE offers six UG programs, 4 PG programs & Ph.D. programs through its 9 affiliated VTU research centers with a student population of 2700. VVCE is located in heart of Mysuru city.

## About the Department

The **Department** has been a pioneering academic center for under graduation with experienced and dedicated faculty. The department is well equipped with state of the art laboratories with latest software & high end computers to meet the needs of the students. The department has established “**Intel Intelligent Systems Lab & Apple Lab** for promoting industry-institute interaction and also to conduct interdisciplinary projects.

## About the FDP

The aim of this FDP is to enrich the knowledge on Cryptography for faculty members to cover all the 5 modules of new VTU subject Cryptography, Network Security & Cyber Law. This FDP develops a basic understanding of the algorithms used to protect users online and to understand some of the design choices behind these algorithms. Our aim is to develop a workable knowledge of the mathematics used in cryptology in this FDP. This FDP also emphasizes to give a basic understanding on different types of attacks on cryptosystems, also the methodologies to prevent and handle those attacks by providing hands-on experience.

## Eligibility:

The FDP is open to the faculty fraternity of ISE/CSE/ECE/EEE of Engineering Colleges. A maximum of **30** participants will be accommodated. The registration is based on first come first served basis.
