About University

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 21 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. University has very successfully achieved the tremendous task of bringing various colleges affiliated earlier to different Universities, with different syllabi, different procedures and different traditions under one umbrella. The university having 218 affiliated colleges, 1 constituent college and 17 Autonomous colleges with undergraduate courses in 35 disciplines, PG program in 94 disciplines and Ph.D & M.sc(Engg.) with research programs in 592 departments, over4 lakhs Engineering Students study in the various institutes affiliated to the University. The University has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering PG programs. It has four regional centers across the State of Karnataka in Belagavi, Bengaluru, Kalaburagi and Mysuru respectively. University is comprised of a multi-disciplinary and multi-level institutions offering wide range of programmes in Engineering, Technology and Management.

About TEQIP

The Ministry of Human Resource Development launched in December, 2002 the “Technical Education Quality Improvement Programme of Government of India (TEQIP)” which aims to upscale and support ongoing efforts in improving quality of technical education and enhancing existing capacities of the institutions to become dynamic, demand-driven, quality conscious, efficient and forward looking, responsive to rapid economic and technological developments occurring both at national and international levels. TEQIP is being implemented as a World Bank assisted Project to improve the quality of technical education system in the country.

Chief Patrons

Dr. Karisidappa
Hon'ble Vice Chancellor, VTU, Belagavi

Dr. Sabitha Ramamurthy
President, CMRJT, Chancellor, CMR University

Patrons

Dr. Satish Annigeri
Registrar, VTU, Belagavi

Dr. Sanjay Jain - Principal, CMRIT

Advisory Committee

Dr. C. M. Bhaskar Reddy - Director, CMRGI
Dr. B. Narasimha Murthy - Vice-principal, CMRIT

Programme Coordinator

Dr. Elumalai R.
Professor & Head, Dept. of ECE
hod.ece@cmrit.ac.in

Contact

Prof. Harsha B K
Assistant Professor, Dept of ECE

About the College

The CMR Institute of Technology, established in the year 2000, is one of the leading technical institutions in Bangalore with NAAC A+ grade. It is affiliated to Visvesvaraya Technological University, Belgaum, recognized by All India Council for Technical Education, New Delhi and accredited by National Board of Accreditation. It is placed 75th among top 100 private engineering colleges and 90th overall as per TIMES engineering institution ranking survey 2019. It is placed 93rd among top 200 best private engineering colleges as per India today survey 2019.

About the Department

The Department of Electronics and Communication Engineering was established in the year 2000 and has state of the art laboratories with equipment having digitized outputs and interfacing with computers, facilitating research and consultancy. The Department of Electronics and Communication Engineering currently offers a UG and PG programme with an intake of 240 and 24 students respectively. The department is equipped with the best of faculty in the fields of Analog and Digital Electronics, Signal processing, RF and Microwave, Antenna, VLSI and Embedded system. Special emphasis is provided for slow learners in the form of intensive coaching and best of attention is paid to potential rank holders.

About the Workshop

Preventive and breakdown Maintenance is the discipline and profession of applying engineering concepts to achieve better maintainability, reliability of equipments.

Maintenance Engineering & Management Requires both outdated and modern electronics components in good condition, which is often a difficult job, advent of new advanced diagnostic tools, rapid repair systems, etc, incorporate modular technologies. Besides the rectification of the faults in the equipment, the activities of the maintenance include: Up gradation of the existing systems, equipments and training maintenance personnel to attend the required technical skills. Effective maintenance of the old equipment for higher availability and cost optimization of all maintenance is essential.

Organizing Committee Teaching Staff

- Dr. Vanaja Sivakumar
- Dr. Sharmila K P
- Dr. K Venkateswaran
- Prof. Pappa.M
- Prof. Suganya.S
- Prof. Sridevi.S
- Prof. Chetan.H
- Prof. Sunilkumar.K.H
- Prof. Naveenkumar.G.N
- Prof. Aritri Debnath
- Prof. Vinay.B.K
- Prof. Jyothi M R
- Prof. Suganya J
- Prof. Preethi.A
- Prof. Ninikrishna
- Prof. Rashmi K V

Technical Staff

- Mr. Byregowda
- Mr. Madhu K C
- Mr. Ravi B
- Mrs. Pallavi S Patil
- Mrs. Shobha M R
- Mrs. Sindhu R
- Mrs. Vedha S
