Date: 16 JUL 2019

## CIRCULAR

**Deputation of Faculty members (Research Scholars), Engineers for Fatigue Durability India 2019-3<sup>rd</sup> International Conference on Fatigue, Durability and Fracture Mechanics & Symposium on Condition Assessment/Residual Life Assessment**

Visvesvaraya Technological University (VTU), Institute of Structural Integrity and Failure Studies [ISIFS] and DHIO Research jointly in organising an **3rd International Conference on Fatigue, Durability and Fracture Mechanics & Symposium Condition Assessment / Residual Life Assessment & Extension**, from 29 - 31st August 2019 at "Jnana Sangam", VTU Belagavi Karnataka India.

**Fatigue Durability India 2019 - International Conference & Exhibition** bring industrial experts and academicians to a single platform & facilitate the exchange of ideas and advancements in the field of fatigue, durability, fracture mechanical failure and its applications. There will be an exhibition to showcase the technological advancements and the case studies with advanced components. The Conference focus on covering wide spectrum of topics right from design, engineering, testing and computational evaluation of the component / system for fatigue, durability and the fracture mechanics aspects. The Open Forum / Panel discussion enables the technical, business and academic interaction more effective and efficient. Eminent experts will be a part of the panel discussion to address various queries or questions from the participants end.

This conference is unique in nature and brings rich research opportunities in interdisciplinary area like **Product Design & Development, Manufacturing, Material Science – Testing & Characterisation, Metallurgy, Testing, Engineering Simulation, Failure and Reliability Studies**. There are 18 Keynote sessions, 60+ Presented papers to capture wide spread area of the conference theme. Eminent experts and related technical community will make a unique opportunity for the Faculty and students to interact, share knowledge and also get exposure to **Industrial practical and Research Opportunities**.

As a part of Fatigue Durability India 2019, we are organising **Student Technical Paper Presentation Competition during 29<sup>th</sup> -31<sup>st</sup> August 2019**, Student from engineering colleges, universities pursuing bachelor and master degree are Encouraged to submit the abstract for technical paper presentation competition.

**We wish scientists/engineers/managers/faculties from your organisation to make use of this opportunity. In this regard, we request you to circulate the information to participate in FatigueDurability India 2019**

**More details visit the website: [www.2019.fatiguedurability.com](http://www.2019.fatiguedurability.com). Attached is the brochure**

By Order,

  
I/c Registrar

To,

- 1) The Registrar of all Universities in India.
- 2) The Principals of all the affiliated / constituent/ autonomous engineering colleges of VTU.
- 3) The Directors/DGM/AGM/GM/HR/ Engineer.

Copy to:

- 1) The Regional Directors(I/c), VTU Regional Centres at Bengaluru, Belagavi, Kalaburgi and Mysuru for information.
- 2) The Special Officer, Mysuru Region Extension Centre, Mangaluru for information.
- 3) The Secretary to VC, VTU, Belagavi.
