About the VTU.

Visvesvaraya Technological University (VTU) named after Bharat Ratna Dr. Sir M. Visvesvaraya established on 1st April 1998, as per the VTU Act 1994 of the Government of Karnataka. University has been established by the Government of Karnataka in order to promote planned and sustainable development of technical education. VTU has its Head Office located in Belagavi in the state of Karnataka. Reckoning the fact that, University is a seat of confluence of knowledge and as a technological University, Visvesvaraya Technological University does not restrict itself only to curricular activities but emphasizes on the overall growth of knowledge in society and hence its campus in Belagavi is named aptly as “Jnana Sangama”. The University has jurisdiction over the whole state of Karnataka. For administrative convenience University has four Regional Offices established at Bengaluru, Mysuru, Kalaburagi and Belagavi.

ABOUT DBIT:

The Don Bosco Institute of Technology (DBIT) established in the year 2001, is situated on a 36-acre sprawling campus adjacent to the Bangalore-Mysore state highway and is 18km from the heart of Bangalore city. DBIT has always meant quality technical and management education for its students regardless of their chosen discipline. It is very well on its way in creating technocrats and business leaders who can confidently meet the stiff technological and corporate challenges of today's and tomorrow's Technical & Business environments.

It offers undergraduate B.E. programs in the fields of Computer Science and Engineering, Electrical and electronics engineering, Electronics and Communications Engineering, Information Science and Engineering, Mechanical Engineering, Telecommunications Engineering and Civil Engg., besides the Masters in Business Administration, ME, CSE, ECE & EEE. All the courses are affiliated to Visvesvaraya Technological University (VTU), Belagavi. The 5 Departments are accredited by the National Board of Accreditation, New Delhi

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was started in the year 2002 with an intake of 60 students; it has currently an intake of 180 to its B.E. program with dedicated, qualified, and well-experienced faculty. The department conducts M.Tech Programme in Design Engineering. The department also has a VTU-recognized research centre and offers Ph.D. and M.Sc. (Engg.) by research programs of VTU, Belagavi. The Department is having Robo Centre of excellence in association with KUKA, the world leader in Robotics. In this program, students will get hands on experience KUKA Robot. We are also working with SIEMENS, to get hands on experience on PLM software
