CIRCULAR

Sub: TEQIP Sponsored Faculty Enrichment Program on "*Mechanics of Materials*." A step towards Excellence Reg...

With reference to the above, this is to inform that the Department of PRODUCT DESIGN AND MANUFACTURING of Visvesvaraya Technological University, Belagavi, is organizing 5 Days Faculty Enrichment Program under TEQIP CELL on *MECHANICS OF MATERIALS* subject for faculty members of affiliated and constituents colleges at P.G.Center Belagavi. The workshop is designed to enhance the teaching and other skills of the faculty.

Objectives:

- To train the educators in the key and advanced subjects.
- To boost the faculty members to develop interest amongst the student community to learn the course and also clarify their doubts.
- To equip the educators to adopt apt teaching and evaluation methodologies for the given course.
- To enhance the knowledge about the subject.
- To help in understanding the concepts for ease of delivery.

Expected Outcomes:

- The enhancement in the knowledge of the trained course.
- Establishment of forum of the course teachers.
- Sharing of the expertise.
- Plan quizzes, internal assessment Question Papers and Model Question papers with scheme for upcoming semester.
- Improved setting of the question papers and Evaluation scheme.
- Improved University results.

A faculty member who shall handle the course in the upcoming semester and has a minimum of 3-years of experience can register for the course. The Brochure of the Programme is available in the VTU website link <http://vtu.ac.in/workshop-seminar-conference>. Hence, you are requested to bring this information to the notice of the concerned faculty in your College and inform them to participate in this Programme.

Last date for Registration: On or before 20th July 2018

ABOUT VTU

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. University has very successfully achieved the tremendous task of bringing various colleges affiliated earlier to different Universities, with different syllabi, different procedures and different traditions under one umbrella.

It has four regional centers across the State of Karnataka in Belagavi, Bengaluru, Kalaburagi and Mysuru respectively. University is comprised of a multi-disciplinary and multi-level institution offering wide ranging programmes in engineering, technology and Management. The University is making steady progress in developing and providing best technical environment for education and will continue to serve the nation in coming years.

VTU is the first university in the country to adopt Innovative steps in the examination reforms by adopting Digital Evaluation System.

VTU has established Centre of Excellence at various places in Karnataka in different scopes to bring a change in the technology and society.

- VTU Bio-Fuel Information and Demonstration center at Belagavi.
- VTU center for Nanotechnology at Bengaluru.
- VTU National Academy for Skill Development at Dandeli in Uttara Kannada District.
- VTU Innovation Clubs at VTU and in Affiliated Engineering Colleges.
- VTU Institute of Advanced Technologies at Muddenahalli.
- E-Learning Center and VTU Bosch Center of Competence at Mysuru.

PRODUCT DESIGN & MANUFACTURING DEPT.

The Department of product design and manufacturing was established to pursue excellence in teaching, research and industry interaction in the field of design and manufacturing. The program aims at developing skills, knowledge and aptitude among students so that they can bring in product manufacturing industry. The department is committed to achieve academic excellence, and all-round development of its students. The department has well equipped laboratory facilities with state of art equipment and instrument. A judicious mix of experience and young faculty with strong commitment to academics and research to provide quality education to students. The faculties actively participates in sponsored research, conducts seminars/ conferences, short term training courses and industrial visits.

OBJECTIVES

- To train the educators in the key and advanced subjects.
- To boost the faculty members to develop interest amongst the student community to learn the course and also clarify their doubts.
- To equip the educators to adopt apt teaching and evaluation methodologies for the given course.
- To enhance the knowledge about the subject.
- To help in understanding the concepts for ease of delivery.
- To train the trainers for interactive classes.

EXPECTED OUTCOMES

- The enhancement in the knowledge of the trained course.
- Establishment of forum of the course teachers.
- Sharing of the expertise.
- Improved attainments of course outcomes.
- Plan quizzes, internal assessment Question Papers and Model Question papers with scheme for upcoming semester.
- Improved setting of the question papers and Evaluation scheme.
- Improved University results.

WHO CAN APPLY?

- Faculty members of affiliated Engineering and Constituent Colleges of VTU who shall handle the course in upcoming semesters.
- Experience above 3 years in teaching and handling the course for forthcoming semester.

RESOURCE PERSONS

Leading academicians from IISc, IIT, NIT and Affiliated Colleges.

HOW TO APPLY

Interested and eligible candidates may apply through
Registration link before 20th July 2018.

LINKS FOR REGISTRATION

Subject	Links
Mechanics of Materials	https://goo.gl/forms/JLsFJJdQ4UY5DXV93

SELECTION OF PARTICIPANTS

The batch size of the participants is limited to about 75. Selection will be done on first cum first serve basis. Selected candidates will be intimated by e-mail. If the number of applicants is far higher than the batch size, the applicants in excess will be accommodated in subsequent training programs.

ACCOMODATION

Shortlisted/Selected outstation participants will be provided accommodation on sharing basis at VTU Hostels subject to availability.

REGISTRATION FEES

There is no Registration fee.
