## CIRCULAR

Sub: Workshop on MOODLE

With reference to the above subject, this is to inform that, Visvesvaraya Technological University, e-Learning Centre, Mysuru organizing a two day workshop on MOODLE- Modular Object Oriented Dynamic Learning Environment to promote the use of open source Content Management System on 12<sup>th</sup> & 13<sup>th</sup> April 2018 at HKBK College of Engineering, Bengaluru.

MOODLE is a learning platform or Course Management System (CMS), a free open source software package designed to help educators create effective online courses based on sound pedagogical principles and its benefits are as follows:

- a) Open source: MOODLE is an open source platform
- b) Cost Effective: It is FREE
- c) Simple Interface: It's quite user – friendly
- d) Easy to Customize
- e) Offline Access

For more details and information please visit the link <http://elearning.vtu.ac.in/elearning/moodle/>

Hence, you are hereby requested to bring this circular to the notice of all the faculty and students of your college and to inform them to participate in this workshop.

By Order

Registrar
