RESEARCH

## ABOUT THE UNIVERSITY

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 20 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. VTU is having 218 affiliated colleges, 1 constituent college and 17 Autonomous colleges with undergraduate courses in 35 disciplines, PG program in 94 disciplines and Ph.D & M.sc (Engg.) with research programs in 592 departments, over 4 lakhs Engineering Students study in the various institutes affiliated to the University. The University has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering PG programs. VTU as an educational institution offering various technical courses is playing a vital role in creating job opportunities and economic development of the country. The VTU has its operations in four regional centres situated all over Karnataka.

The centres are located at Belagavi, Bengaluru, Mysuru and Kalburgi offering Masters Degrees in Technology, Management, IT and Doctoral programmes in these streams. The university is involved in extensive research in Science, Technology and Management with both funded and non-funded projects. All these research activities are undertaken by the competent, experienced and intellectual faculties on regular basis. The university regional offices possess high tech labs, infrastructure and all other facilities required for research on par with global standards.

### ABOUT CENTRE FOR PG STUDIES, BELAGAVI

The Centre for PG Studies has five full time post graduate programmes in M.Tech, MBA and MCA. All the department have well qualified faculty at all level and are involved in research and development actively through various sponsored research programmes. The VTU, Belagavi has signed MoU's with various research organizations and industries to meet the demand of educational projects. By the roadmap sketched by its

different development it wishes to scale high towards establishing this PG centre as one of the model centre with its enthusiastic academically strengthened team of faculty. The Department of PG studies encourages students to participant in International and national platforms such as Conference, Seminar, Symposium etc. It also encourages students and staff in publication of their research papers in various reputed and well referred journal and recognizes achievers on special occasions.

## ABOUT THE WORKSHOP

This workshop is designed to impart knowledge on Research Methodology in the context of qualitative and quantitative research along-with training in advanced Statistical packages across the various fields. A good research methodology is a key to sound research output. The current workshop is an effort to enrich the participants to learn and discuss about new and advanced techniques in research. It will enable them to identify research gaps and formulate specific objectives and identify appropriate research design.

### OBJECTIVES

- To facilitate the participants, define research problem, develop an approach to research problem and selection of suitable research design.
- To impart capabilities for formulation and testing of hypothesis based on the nature of research.
- To comprehend appropriateness of statistical software packages for analyzing research data.
- To enable the participants to understand report writing and writing research proposals.

### ELIGIBILITY

- Academicians, Research Scholars and Industrialists can apply.

### REGISTRATION DETAILS

- The Participants are requested to register online by using the following link  
<https://forms.gle/Ybk6tebuNGJAHRF6A>

- The participant has to submit the DD and the hard copy of the registration form on the day of commencement of Workshop.
- The number of participants for the workshop is limited to 30 members only and it is on first come first serve basis.
- Last Date for Online Registration is July 10, 2019.

### REGISTRATION FEES:

Registration Fee: Rs. 1000/- per participant, Registration fee includes Registration Kit, Food and Participation Certificate. Accommodation is available on nominal charges.
