Sir,

Sub: Announcement of Call for Papers in "*International Journal of Engineering Sciences and Management: A Multidisciplinary Publication of VTU (IJESM)*".

VTU has launched a Journal titled "*International Journal of Engineering Sciences and Management: A Multidisciplinary Publication of VTU (IJESM)*" very recently. It is a peer-reviewed quarterly Journal, publishing both theoretical and experimental high quality papers not previously published in Journals/Conferences or anywhere else. The scholarly publications in this Journal will be a medium for academic and scientific discussions and enrichment of research areas.

VTU is pleased to announce a Call for Papers in all areas of Science, Engineering, Technology and Management. Authors are invited to submit original research papers, case studies, and state-of-the-art reviews in the broadly defined field of engineering sciences and management. Papers are invited covering all areas of

- Computer and Information Sciences,
- Electrical Engineering Sciences,
- Civil Engineering Sciences,
- Mechanical Engineering Sciences,
- Basic Sciences and
- Management and Business Information Systems.
