

The Government of Karnataka has launched “**gnana Sangama**” portal under the Smart-KEY (Karnataka Education Yardstick) programme to bring uniformity in all activities of the state Universities. The processes in higher education such as Affiliation of colleges, Admissions etc. are set to go online under the “gnana Sangama” portal from the academic year 2015-16. Accordingly, from the academic year 2015-16, Visvesvaraya Technological University, Belagavi has set its affiliation process for engineering colleges under the “gnanasangama” portal.
