## Suo-moto Declaration as per RTI Act

It is hereby notified that the information regarding Right to Information Act, 2005 in respect of Visvesvaraya Technological University, Belagavi(VTU) is updated and published for the information of public and other stake holders of the system. Under section 4 (1) (a) and 4(1) (b) of Right to Information Act 2005 the following information is published in the interest of public service as required by RTI Act.

### 4 (1) (b) (i) Particulars of organization, function and duties

VTU came into existence on 1<sup>st</sup> April 1998 vide Karnataka State Government Notification No. ED 2 UTV 98 dated 25-3-1998 for development of Engineering, Technology and allied Sciences.

#### **Powers and functions of the University (section 7, of VTU Act 1994)**

Subject to the provisions of this Act and such conditions as may be prescribed by the Statutes and the ordinances, the University shall have the following powers, namely :-

- 1) To promote continuous experimentation and innovation in the instructional system and strategies for instructional development;
- 2) To promote curriculum design to respond to short and long term needs of the user system by building into it the appropriate quantum of knowledge in Engineering Technology and allied sciences;
- 3) To stimulate continuous faculty development by creating scheme of sponsorship to acquire higher qualifications, to provide liberally for research, to permit product development, consultancy and other activities which will heighten their professional competencies;
- 4) To provide necessary direction and guidance to the constituent units to bring about a close-co-ordination of activities among themselves;
- 5) To assume accountability to the society and the nation in the generation of technical man-power of proper quality and standard and help to inculcate professional ethics in the products of the colleges;

- 6) To cause the institutions to identify themselves with the regions in which they are located and participate in their development activities by transferring necessary technology and play an effective role to bring about desirable changes;
- 7) To serve as a centre for generation and exchange of ideas among institutions, research organizations and the Government, so as to promote entrepreneurial efforts among the graduates and to assist them through expertise available in the institutions;
- 8) To Endeavour to raise recourses from users, benefactors and other organizations within the country and outside to promote research and development through grants and to institute scholarships, prizes, medals and special lectures through endowments, donations, etc.,;
- 9) To help devising schemes for effective continuous evaluation of students performance to ensure uniformity and promote students trust in the system;
- 10) To endeavour to promote smooth functioning of the colleges by creating proper environment and harmonious relationship among the faculty, student community and society;
- 11) To develop, promote and organize continuing education system in co-ordination and with co-operation of constituent units;
- 12) To support instructional and other resources of the constituent colleges which fall below the requirements and assist in remedying the deficiencies where necessary.

**Additional functions:**

In addition, the University will also perform the following functions with respect to its constituent colleges, namely;

- 1) Designing courses of study to be conducted leading to award of degrees of the University and conferring them;
- 2) Prescribing admission requirements of students for various courses;
- 3) Determining tuition and other fees;
- 4) Designing examination and evaluation systems and implementing them for the constituent colleges;
- 5) Laying down standards of instructional facilities to be provided and enforcing measures of compliance;
- 6) Laying down qualification for teaching faculty and other employees and prescribing selection procedure;
- 7) Laying down qualification for

- 8) Creating teaching, research and administrative posts and appointing persons to such posts;
- 9) Establishing and maintaining laboratories, workshops, libraries, research stations and museum for teaching and research;
- 10) Promoting institutional autonomy with sufficient safeguards to enable the constituent colleges to continuously build upon their strengths and attain higher levels of academic achievement;
- 11) Establishing watch-dog mechanisms and measure for overseeing the performance of constituent colleges in respect of courses of study, teaching and student evaluation;
- 12) Promotion of institutional internal system of evaluation with sufficient checks and balances;
- 13) Establishing and maintaining hostels for students and residential accommodation for the staff of University;
- 14) Instituting and awarding fellowships, scholarships, prizes and medals;
- 15) Conferring honorary degree and other distinctions in the prescribed manner;
- 16) Assessing needs of the State and the Country in the field of specialization, level of education and training both for short and long term needs and initiating necessary programmes of study;
- 17) Strengthening the efforts to promote entrepreneurial ventures among the students;
- 18) Securing continuous feed-back from the user system by establishing a suitable mechanism in the division of the University;
- 19) Acting as the overall trustees and manager of all properties, legacies, bequests, endowments and gifts made for the purpose of promotion of education and research or otherwise for furtherance of work and welfare of the University and invest funds representing the above suitably in accordance with the provisions of the Act;
- 20) Doing all such acts and things whether incidental to the aforesaid powers or not which may be required in order to further the objectives and functions of the University.

#### **4 (1) (b) (ii) : Powers and duties of officers and employee**
