SC/ST & OBC CELL

Vice-Chancellor's Message

Visvesaraya Technological University has established a Scheduled Castes/ Scheduled Tribes & Other Backward Classes Cell in July 2014 to promote the welfare and development of the students and staff of these communities as per the guidelines of UGC, Government of Karnataka and MHRD, New Delhi. The Cell ensures the effective implementation of reservation policies in the university viz., admissions to various courses, appointment of teaching and non teaching posts and maintenance of rosters in the university.

Vice-Chancellor

Registrar's Message

It gives me immense pleasure to establish the VTU Scheduled Castes/ Scheduled Tribes & Other Backward Classes Cell to promote the welfare and development of these community Students and Staff as per the guidelines of UGC, Government of Karnataka and MHRD, New Delhi. The information brochure prepared by the Liaison Officer will definitely help the students and staff to know about benefits provided by the University for the Welfare and development of these communities in the university.

Registrar

Preface

The VTU Scheduled Castes/ Scheduled Tribes & Other Backward Classes Cell is getting a lot of enquiries from parents and students of SC/ST and similar groups regarding their educational benefits and reservation policies provided by the State/Central Government and the procedures to avail them. It was felt that a brochure containing all the relevant information about cell would be of great help to all the concerned. Efforts have been taken to provide all available information as per the guidelines of UGC, State/Central Government. This brochure is prepared for providing firsthand information to the students belonging to socially deprived and backward communities.

VISION

To become an outstanding Technological University at the cutting edge of Science and Technology that produces world class Knowledge-delivery, Research, Extension and Leadership in Technology innovation for Industry and Society.

MISSION

To plan the development of technical education, to establish value-based and need-based education and training in engineering and technology, with a view to generate qualified and competent manpower, responsive to technological and societal needs.

ABOUT VTU

Visvesvaraya Technological University (VTU), Belgaum named after Bharat Ratna Sir M Visvesvaraya, is a dream comes true of Technocrats and Academicians of Karnataka.

Karnataka has been at the forefront in technical education in India attracting students from all over the country and also abroad. To meet the needs of access, quality, equity, excellence and relevance many efforts continue to be carried out. There is a need to meet the 21st century challenges interdisciplinary of subjects and create a world class leading institution in Karnataka to provide the well needed direction and to strengthen technical education on all fronts like extension activities, formal education, research and development and help the state to continue to be globally competitive. It is expected that this will enhance access and equity further and also meet the present and future needs of quality, standard, excellence and relevance of technical education appropriately in the state.

It has been established in 1994 by the Act of State Legislature: Visvesvaraya Technological University Act 1994 (VTU Act 1994) and started functioning from 1st April, 1998. This University has State vide jurisdiction. This University has been established for the purpose of ensuring proper and systematic instruction, teaching training and research in the development of Engineering, Technology and allied Sciences in the State of Karnataka. With this motto, University has been providing high quality education in the faculties of Engineering, Technology, Allied Sciences and Management through its departments as well as affiliated colleges. In each programme the University ensures the provision of high quality education, the pursuit of knowledge and the generation on new ideas.

VTU Act 1994:

Visvesvaraya Technological University has been carved out as a separate Act VTU Act 1994. The Act provides broader objective, the duties and responsibilities of the statutory officers, the functions of Executive Council, Academic Senate and Finance Committee. Further the Act provides the way for functioning of University and affiliation of colleges etc.

Special Features of VTU:

"Education is the sovereign remedy for all economic ills; the higher the standard of education and science applied to industrial calling, the greater the wealth produced," said late Bharat Ratna Sir M. Visvesvaraya, the illustrious son of Karnataka and one of the early promoters of modern technology in India. VTU is making all efforts to be a fitting tribute to Sir M. Visvesvaraya.

VTU offers a wide range of Engineering, Technology and allied sciences courses through its departments and affiliated colleges. Having carved a niche for itself in the field of technical education in the county, VTU has set the tone for scaling new heights through innovative programmes being launched by it at regular intervals.

VTU provides ample opportunities to the student community who desire to acquire knowledge in Engineering/ Technology by offering a wide range of programmes i.e. UG (B.E./B.Tech./B.Arch.) in 32 disciplines, PG (M.Tech./ M.Arch.) in 92 disciplines respectively, MBA, MCA PG diploma courses, research programmes such as M.Sc. (Engg.) by Research and Ph.D. All these courses are as per the standards prescribed by the All India Council for Technical Education and University Grants Commission.
