### **POSITION**

Data Analyst. • Quality Analyst.

### **ACADEMIC ELIGIBILITY CRITERIA**

BE, B-Tech any stream. Primary Location : Bangalore-KRN-IN. Job Level : Entry Level. Education Level : Bachelor's Degree.

**Role Description: Data Analyst:** ● Analytical Skills: Data analysts work with large amounts of data: facts, figures, and number crunching. You will need to see through the data and analyze it to find conclusions. ● Communication Skills: Data analysts are often called to present their findings, or translate the data into an understandable document. You will need to write and speak clearly, easily communicating complex ideas. ● Critical Thinking: Data analysts must look at the numbers, trends, and data and come to new conclusions based on the findings. ● Attention to Detail: Data is precise. Data analysts have to make sure they are vigilant in their analysis to come to correct conclusions. ● Math Skills: Data analysts need math skills to estimate numerical data.

**Quality Analyst** ● Clear communicator (written and verbal). ● Creative solving of problems – to ensure the ability to translate issues and help the Data Analyst to solve those. ● Ability to focus on deadlines and deliverables – ensures the ability to find the bad defects and issues quickly. ● Ability to think abstract

**Candidate Description** ● Strong analytical skills providing insights as well as recommendations for changes convincing decision makers of business benefits of the proposed solutions. ● Flair for quantitative data analyses and interpretation and ability to process data to draw insights, answering “so what” questions about data. ● High degree of proactiveness in analysing customer behaviour using available data to influence changes on the website. ● Excellent written and verbal communication skills with specific focus on “persuasive, influencing” communication style. Behavioural Attributes ● Strong interpersonal skills to help collaborate across teams. ● Logical thinking and ability to sift through data to identify insights attention to detail

**SALARY:** CTC INR 1.8 Lakhs Per Annum + Incentives

### **SELECTION PROCESS:**

Selection Procedure: Aptitude:-First round will be of general aptitude. PI:-Selected individuals will have managers round. HR:- Individuals who crack the above two rounds go through this final round.
