**Note: VII and VIII semesters of IV years of the program**

(1) Institutions can swap the VII and VIII Semester Schemes of Teaching and Examinations to accommodate research internships/ industry internships after the VI semester.

(2) Credits earned for the courses of VII and VIII Semester Scheme of Teaching and Examinations shall be counted against the corresponding semesters whether the VII or VIII semesters is completed during the beginning of the IV year or the later part of IV years of the program.

**Professional Elective Courses (PEC):** A professional elective (PEC) course is intended to enhance the depth and breadth of educational experience in the Engineering and

Technology curriculum. Multidisciplinary courses that are added supplement the latest trend and advanced technology in the selected stream of engineering. Each group will provide an option to select one course. The minimum number of students' strengths for offering professional electives is 10. However, this conditional shall not be applicable to cases where the admission to the program is less than 10.

However, they can opt for an elective offered by other Departments, provided they satisfy the prerequisite condition if any. Registration to open electives shall be documented under the guidance of the Program Coordinator/ Advisor/Mentor. The minimum numbers of students' strength for offering Open Elective Course is 10. However, this condition shall not be applicable to class where the admission to the program is less than 10.

**PROJECT WORK (21XXP75):** The objective of the Project work is

- (i) To encourage independent learning and the innovative attitude of the students.
- (ii) To develop interactive attitude, communication skills, organization, time management, and presentation skills.
- (iii) To impart flexibility and adaptability.
- (iv) To inspire team working.
- (v) To expand intellectual capacity, credibility, judgment and intuition.
- (vi) To adhere to punctuality, setting and meeting deadlines.
- (vii) To install responsibilities to oneself and others.
- (viii) To train students to present the topic of project work in a seminar without any fear, face the audience confidently, enhance communication skills, involve in group discussion to present and exchange ideas.

**CIE procedure for Project Work:**

**(1) Single discipline:** The CIE marks shall be awarded by a committee consisting of the Head of the concerned Department and two senior faculty members of the Department, one of whom shall be the Guide.

The CIE marks awarded for the project work, shall be based on the evaluation of the project work Report, project presentation skill, and question and answer session in the ratio 50:25:25. The marks awarded for the project report shall be the same for all the batch mates.

**(2) Interdisciplinary:** Continuous Internal Evaluation shall be group-wise at the college level with the participation of all guides of the college. Participation of external guide/s, if any, is desirable. The CIE marks awarded for the project work, shall be based on the evaluation of project work Report, project presentation skill, and question and answer session in the ratio 50:25:25. The marks awarded for the project report shall be the same for all the batch mates.

**SEE procedure for Project Work:** SEE for project work will be conducted by the two examiners appointed by the University. The SEE marks awarded for the project work shall be based on the evaluation of project work Report, project presentation skill, and question and answer session in the ratio 50:25:25.

**Scheme A:** According to the teaching and examination plan, the Professional Elective Courses (online), Open Elective Courses (online), and a 14–15-

week Internship (Bxx803) are scheduled for the eighth semester. Meanwhile, the Project Work (Bxx786) and other theory courses (Bxx701–703, 714x, and 755x) are allocated to the seventh semester.

- a. However, students who do not secure an internship can opt for **Skill Enhancement Courses (SEC)**, which offer credits equivalent to those of the internship. These SECs are available at [online.vtu.ac.in](http://online.vtu.ac.in) (as per the 174th EC proceeding).
- b. Students choosing Skill Enhancement Courses (SEC) are **not eligible** to take up Scheme B.
- c. Scheme A: **Swappable VII and VIII semesters** to accommodate all the students for the internship. In the ODD semester, 50% of the final-year students can choose to take eighth-semester courses (PEC, OEC, and internship). In contrast, the remaining students can take project work along with the theory courses of the seventh semester. In the EVEN semester, the roles are reversed.

The students with the backlogs or without backlogs are eligible to take up scheme A.

## Note: VII and VIII semesters of IV years of the program

## Swapping Facility

- Institutions can swap VII and VIII Semester Scheme of Teaching and Examinations to accommodate **research internships/ industry internships/Rural Internship** after the VI semester.
- Credits earned for the courses of VII and VIII Semester Scheme of Teaching and Examinations shall be counted against the corresponding semesters whether VII or VIII semester is completed during the beginning of IV year or later part of IV year of the program.

## Elucidation:

At the beginning of IV years of the program i.e., after VI semester, VII semester classwork and VIII semester **Research Internship /Industrial Internship / Rural Internship**

shall be permitted to be operated simultaneously by the University so that students have ample opportunity for an internship. In other words, a good percentage of the class shall attend VII semester classwork and a similar percentage of others shall attend to Research Internship or Industrial Internship or Rural Internship.

Research/Industrial /Rural Internship shall be carried out at an Industry, NGO, MSME, Innovation center, Incubation centre, Start-up, centre of Excellence (CoE), Study Centre established in the parent institute and /or at reputed research organizations/institutes.

The mandatory Research internship /Industry internship / Rural Internships are for 14 to 20 weeks. The internship shall be considered as a head of passing and shall be considered for the award of a degree. Those, who do not take up/complete the internship shall be declared to fail and shall have to complete it during the subsequent University examination after satisfying the internship requirements.

**Research internship:** A research internship is intended to offer the flavor of current research going on in the research field. It helps students get familiarized with the field and imparts the skill required for carrying out research.

**Industry internship:** Is an extended period of work experience undertaken by students to supplement their degree for professional development. It also helps them learn to overcome unexpected obstacles and successfully navigate organizations, perspectives, and cultures. Dealing with contingencies helps students recognize, appreciate, and adapt to organizational realities by tempering their knowledge with practical constraints.

**Rural Internship:** Rural development internship is an initiative of Unnat Bharat Abhiyan Cell, RGIT in association with AICTE to involve students of all departments studying in different academic years for exploring various opportunities in techno-social fields, to connect and work with Rural India for their upliftment.

The faculty coordinator or mentor has to monitor the student's internship progress and interact with them to guide for the successful completion of the internship.

The students are permitted to carry out the internship anywhere in India or abroad. University shall not bear any expenses incurred in respect of the internship.

With the consent of the internal guide and Principal of the Institution, students shall be allowed to carry out the internship at their hometown (**within or outside the state or abroad**), provided favorable facilities are available for the internship and the student remains regularly in contact with the internal guide. **University shall not bear any cost involved in carrying out the internship by students.** However, students can receive any financial assistance extended by the organization.

**Professional Elective /Open Elective Course:** These are ONLINE courses suggested by the respective Board of Studies. Details of these courses shall be made available for students on the VTU web portal.

**Scheme A:** According to the teaching and examination plan, the Professional Elective Courses (online), Open Elective Courses (online), and a 14–15-week Internship (Bxx803) are scheduled for the eighth semester. Meanwhile, the Project Work (Bxx786) and other theory courses (Bxx701–703, 714x, and 755x) are allocated to the seventh semester.

- a. However, students who do not secure an internship can opt for **Skill Enhancement Courses (SEC)**, which offer credits equivalent to those of the internship. These SECs are available at [online.vtu.ac.in](http://online.vtu.ac.in) (as per the 174th EC proceeding).
- b. Students choosing Skill Enhancement Courses (SEC) are **not eligible** to take up Scheme B.

- c. Scheme A: **Swappable VII and VIII semesters** to accommodate all the students for the internship. In the ODD semester, 50% of the final-year students can choose to take eighth-semester courses (PEC, OEC, and internship). In contrast, the remaining students can take project work along with the theory courses of the seventh semester. In the EVEN semester, the roles are reversed.

The students with the backlogs or without backlogs are eligible to take up scheme A

**Scheme B:** This scheme is designed for the following aspirants (Annexure-I);

- Students who would like to pursue a minimum two-semester **industry internship that leads to project work.**
- Students who would like to pursue a minimum two-semester industry internship that leads to a start-up.**
- Students who seek a minimum two-semester **research internship** that leads to project work, with paper publications in **UGC journals / Scopus-indexed journals.**
- Students can also register if they are selected by the university or college placement cell for a one-year salaried internship at a company, industry,

or organization that will result in job confirmation. Such students complete the project work individually under the guidance of a guide or mentor, along with placement training.

2. Students who **do not have any backlog** courses or subjects from previous semesters and whose **CGPA is 6.0** when they take admission to the 5th semester are eligible for Scheme B. All subjects in the 1st to 4th semesters must have been passed on the first attempt.
3. In the present 2022 scheme, for the 7th-semester subjects (BXX701, 702, 703, and 714x), students must take subjects in the 5th semester, complying with registration **clause 200B3.6.2**(maximum credits to register is 28 credits). The remaining subjects can be taken in the 6th semester (or only subject 703 in the 6th semester and 714x, the professional elective courses, can be opted for as online courses in the 7th semester). Students must study and pass these courses or subjects before being admitted to the 7th semester. The credits for these subjects are recorded in the 7th-semester grade card.
4. If students are not able to pass BXX701, 702, and 703, they are not eligible for Scheme B. They can continue with Scheme A; however, if they pass one or two of the subjects BXX701, 702, and 703, they do not need to retake and qualify in the 7th semester again. Passed subject credits will be recorded in the 7th-semester grade card.
5. The student(s) can take an internship leading to the project work for the duration of the 7<sup>th</sup> and 8<sup>th</sup> semesters, following the guidelines given for the same .

Students must take the examination for the internship and project work at the end of the 8th semester, according to the examination timetable published by the university. They must also study and pass the BoS-recommended online courses available at [www.online.vtu.ac.in](http://www.online.vtu.ac.in) in place of two Professional Elective Courses (PEC) and two Open Elective Courses (OEC) during the 7th or 8th semester.
