Subject: Approval of Certificate Issuance Model for Postgraduate Programs.

Reference: Your letter no. VTU/VCS/2024-25/19 dated 08.06.2024.

Respected Sir,

This is in reference to your letter No. VTU/VCS/2024-25/19 dated 08.06.2024 regarding the issuance of postgraduate certificates.

The Competent Authority at the All India Council for Technical Education (AICTE) has reviewed the matter and is pleased to approve the following model format for issuing certificates at the postgraduate (PG) level. This template is to be used specifically for awarding the degree of Master of Technology (M.Tech) in the main branch of study, with a specialization indicated in parentheses.

For example, the certificate should read as follows:

M.Tech in Mechanical Engineering (Specialization in Machine Design)

This format is to be uniformly adopted across all institutions offering PG programs under the purview of AICTE, ensuring consistency and clarity in the representation of qualifications. It will serve as a standard for all M.Tech degrees, with the main branch of engineering clearly mentioned, followed by the specialization in parentheses.

This directive is issued with the approval of the Competent Authority at AICTE, and we expect all concerned institutions to comply with this format when issuing postgraduate certificates.

Thank you for your attention to this matter.

Warm Regards,

Yours sincerely,

Dinesh Singh
