F.NO. AICTE/P&AP/Circular/2024

Dated: 03.09.2024

CIRCULAR

Subject: Adoption of Standardized Model Format for Issuing Postgraduate Certificates – reg.

To,

All Vice-Chancellors/Registrars/Directors,
All Universities and Institutions Affiliated with AICTE.

Dear Madam/Sir,

The All India Council for Technical Education (AICTE) is committed to ensuring the highest standards in technical education across all affiliated institutions. In alignment with this objective, AICTE has developed and approved a standardized model format for issuing postgraduate (PG) certificates.

Key Directive:

It is hereby directed that all universities and institutions offering Master of Technology (M.Tech) programs under the purview of AICTE must adopt the following model format for their certificates:

M.Tech in [Main Branch Name] (Specialization in [Specialization Name])

For example:

M.Tech in Mechanical Engineering (Specialization in Machine Design)

This format clearly specifies the main branch of engineering, followed by the specialization within parentheses. This approach will not only bring uniformity across all institutions but also enhance the recognition and value of the qualifications conferred.

Implementation:

- 1. Uniform Adoption:** All universities are requested to uniformly adopt this format for M.Tech degrees. The main branch of study must be clearly stated, followed by the specialization in parentheses.
- 2. Consistency Across Institutions:** This format is to be applied consistently across all affiliated institutions and departments under the purview of your university.
- 3. Compliance:** Universities are requested to ensure compliance with this directive in all future certificates issued for postgraduate degrees, starting from this Academic Year.

Compliance:

Universities and institutions are expected to ensure full compliance with this directive. Any deviations from this model format should be reported to AICTE for review and further instructions.

Conclusion:

The adoption of this standardized format will streamline the certification process and contribute to a more transparent and professional presentation of qualifications across the country. We appreciate your cooperation in implementing this important change.

For any queries or further clarification, please contact the Policy and Academic Planning Bureau, AICTE.

Thank you for your prompt attention to this matter.

Warm Regards,

Yours sincerely,

(Dinesh Singh)

Director and Bureau Head,
Policy & Academic Planning Bureau
