Note: PCC: Professional Core Course, Practical /Field Work / Assignment are part of contact hours for the faculty and must be considered in the workload. Four credit courses are designed for 50 hours Teaching – Learning process. AEC: Ability Enhancement Course designed for enhancing student's ability, only CIE marks will be considered for Evaluation and SEC: Skill Enhancement Course shall be Mandatory non credit course (Audit Course). TW&SL –Team Work & Self Learning, TH/S – Total hours per semester

Social Immersion Program through Seminar shall be Mandatory course, the students should identify and study problems faced by the society. The students must submit a report to the respective guides and should give the seminar. This shall be an audit course on lines of ability enhancement courses and shall be undertaken after the first semester and before commencement of the second semester.

Note:

1. Each Course has a theory component of 04 hrs (04 credits). Practical and real life corporate results/events, cases and occurrences must be used to demonstrate the concepts in the classroom. The Time-Table allotment for each course should be 04 hrs. Practical component must be embedded in the theory classes and it is mandatory to maintain a record of all tools and cases used in teaching –learning process.
2. 20% of marks should be allocated for application oriented questions in the SEE Question Paper, based on practical component.
3. Each course content has indicative case studies which can be dealt in the class by the course instructor. In addition to this the course instructor may use an extra case from Harvard, Sage business cases/Case Centre.
4. One Industrial Visit per Semester is Mandatory. The Department shall insist on report submission by each student and shall maintain this as a documentary proof preferably with Geo-tagged photos. The format of the report shall be prescribed by the department.
5. The Students and course instructor/s should involve either individually or in groups to interact together to enhance the

		learning and application skills. **6. Practical component** Students should interact with industry after regular contact hours (small, medium and large) to understand their problems and study in the form of research/testing/projects and for creative and innovative methods for guidance and to solve the identified problem. **7. The students shall** (a) Gain confidence in modeling of management systems. (b) Work on different software/s (tools) to Simulate, analyze and authenticate the output to interpret and conclude. (c) Involve in case studies and field visits/ field work. (d) Accustom with the use of standards/codes etc., to narrow the gap between academia and industry. All activities should lead to enhancement of students' abilities/skills for employment and/or self-employment opportunity, management skills, statistical analysis, fiscal expertise, etc. 8. Social Immersion Program through Seminar (one week) is mandatory for all the students and this has to be carried out after the first semester during vacation and the report should be submitted by the students should be assessed internally through seminars during the second semester and it is a credit based mandatory course. 9. Term work and self learning can include : Case Study Analysis, Leadership & Team Building Lab, Group Dynamics Exercises, Role Plays, MOOCs/NPTEL Courses, Industrial Visit, Simulation Exercises, Economic Insight Report, Data-Driven Capstone Projects, Seminars & Guest Lectures, Industry Interaction etc.,
