\* Practical /Field Work / Assignment is a part of contact hours for the faculty and must be considered in the workload.

### Plan of action (proposed)

1. Implementation of CBCS for MBA(IM) Programme will be effective from the academic year, i.e., 2016-17
2. Review of Scheme of Teaching and Examinations being finalized
3. Award of Credits for various components of MBA Programme
4. Allotment of marks for the subjects/papers, seminar and summer project.

80:20 patterns of marks for external examination and internal (IA) marks respectively is to be adopted for all the subjects, except Internship, for which the pattern will be 50:50 basis for internal and external assessments respectively.

Question paper for theory examination shall consist of Part A and B as under:

- Part A shall consist of 7 questions subdivided into a, b, c in 2+6+8 mixed patterns. Students need to answer any **three** full questions out of **five** questions.
- Part B shall be a *compulsory* question on Case study/ Practical problem for 16 marks (may contain a maximum of 4 sub-questions).

IA Pattern: 20 marks in each subject, comprising of 10 marks for tests and 10 marks for assignments/seminars/practical exercises/quiz/oral exams.
