Faculty : Student :: 1 : 12

Faculty : Student :: 1 : 10

** Faculty : Student :: 1 : 20

Note:

1. For the calculation of departmental staff- student ratio, the total number of faculty required is X
2. Y is the number of additional faculty required to cater to first year work load
3. For an intake > 600 students, there should be at least one Professor and one Associate Professor and Y-2 Assistant professors in Physics, Chemistry and Mathematics departments, each
4. There shall be separate qualified faculty to teach Kannada, English and Constitution of India and Professional Ethics (CIP)
5. Any Adjunct Faculty / Resource persons in the department should not be considered against the cadre ratio of 1:2:6. The faculty who have worked for one preceding semester will be counted as regular faculty in cadre ratio.
6. The colleges having 2nd shift course may use 50% of Regular faculty and

remaining 50% of faculty must be appointed exclusively for 2nd shift courses

7. For standalone Architecture and Town planning course,

- Only candidates registered with Council of Architecture (COA) under the provisions of the Architects Act, 1972 shall be eligible for the core faculty posts subject to minimum qualifications and experience as prescribed by CoA.
- Full time faculty may be recruited in the allied areas from the field of Engineering / Fine Arts / Humanities, etc. provided that there is a minimum of 12 core full time faculty along with Head for an intake of 40. The faculty from allied areas shall not exceed more than 3 for an intake of 40, 6 for an intake of 80 and 9 for an intake of 120. Further, they should be appointed only at the posts of Associate Professor and Assistant Professor in the cadre ratio of 1:2.
