ASME JOURNAL PROGRAM

Since 1880 the ASME Journal Program has used rigorous, peer-reviewed vetting, to publish the highest quality research and makes it available to engineering professionals looking to change the world. ASME journals are vital to keeping engineers abreast of current theory, practice, and application.

Publishing in ASME journals is a direct contributor to career advancement and professional recognition.

ASME Journal Media

Subscribe to our YouTube channel to see interviews with our Journal Editors discussing their research and vision for their journal. We also have a podcast series by Harry Dankowicz interviewing leading experts in a variety of Mechanical Engineering fields.
