COMPANY OVERVIEW: -

Apollo Munich Health Insurance Company Limited was previously known as Apollo DKV Insurance Company Limited. The company started as a joint venture between Apollo Group of Hospitals and DKV AG, Europe's largest private health insurer (Deutsche Krankenversicherung AG) on the 8th of August, 2007. Apollo DKV started on a journey to re-define the health insurance sector in India. Apollo DKV changed the focus of the market and customers from 'curative' to 'preventive' healthcare. The brand identity of Apollo DKV, in the form of the joyful and healthy man, depicted the innovative stand of the company. Since Apollo DKV started on the journey with the prime aim of helping people stay healthy regardless of medical care expenses, the 'Happy Man' also illustrated the company's 'Let's Stay Healthy' philosophy.

Apollo DKV was the only health insurance provider in the country that was backed by an integrated healthcare group and one of the largest pure health insurance providers in the international market. The mission of the company was to constantly provide customers with innovative healthcare solutions to meet their healthcare needs.
