(9). Establishment of Biodiversity Park in VTU Campus.

NOTE : University wishes to have a Biodiversity Park in its sprawling campus. On its request the ecologists from Eco-Watch Environment Centre visited and surveyed the campus on 25th January 2005. The campus is found to be ideal for establishing a Biodiversity Park. The main objectives for the establishment of Biodiversity Park are :

- Restoration of indigenous natural vegetation
- Establishment of an Arboretum
- Establishment of a garden of Medicinal Plants
- Creation of grove consisting of species of plants considered sacred in Indian tradition.
- Promotion of species congenial for enhancing the diversity of Butterflies.
- Creation of Nectar Grove using appropriate species, which promote honey bees.
- Establishment of a garden for Wild Flowers of the Western Ghats
- Enrichment of the campus with food and fruit plants from the wild.

The Eco-Watch Environment Centre has furnished the Action Plan along with the expenditure statement to set up this Biodiversity Park at VTU. The estimated cost for the establishment of this park has been worked out to be Rs.6,45,000/-.

Now, the proposal is placed before the Executive Council for consideration and approval.

9. Executive Council resolved to approve the proposal for the establishment of Biodiversity Park in VTU Campus as proposed by the Eco-Watch Environment Centre, Bangalore. Further resolved to constitute a sub-committee with the following members to monitor and implement the project.

(17). Approval for 10% of initial amount (Rs.60,000) paid towards Swajaladara Water Supply Scheme to Santibastwad Adopted Village of VTU.

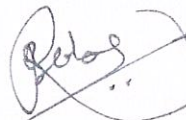

NOTE : VTU has adopted Santibastwad Village near its Campus and various developmental activities by the University is under progress in this village. From February, 2004 to June, 2004, drinking water was supplied to the villagers through tankers, as there was scarcity of drinking water in this part. A bore-well was also drilled to supply the water, but there was insufficient yield.

Now, Zilla Panchayat Engineering Sub-Division, Belgaum, has prepared a plan to supply water under Swajaladhara Scheme. Estimated Cost is Rs. 6.00 lakhs. 10% of the cost is to be borne by the villagers. Secretary and President of Village Panchayat, Santibastwad requested to pay 10% contribution of Rs.60,000/- for the scheme. As a part of the developmental activity, the Vice Chancellor has permitted to pay the Villager's contribution. Now the action of the Vice Chancellor is placed before the Executive Council for ratification.

17. Resolved to ratify the action of the Vice Chancellor for having permitted for the payment of 10% of initial amount (i.e. Rs.60,000/-) towards Swajaladhara Water Supply Scheme to Santibastwad Adopted Village of VTU.

(18). Purchase/Acquisition of land R.Sy.No.562 for VTU at Belgaum.

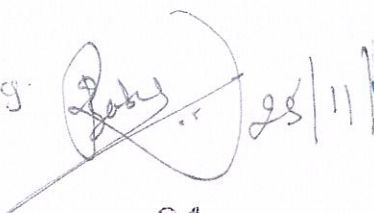

NOTE : VTU is having 115 acres of land granted by the Govt. of Karnataka and it has already completed Phase-I building work in this land. Now the University is proposing to take up Phase-II works for which the University will face land problem for the further expansion. Therefore, purchase / acquisition of land adjacent to VTU land is thought of. There is about 12 acres of private land (Sy.No.562) on the northern side adjacent to VTU Compound Wall (On both sides of Main Entrance Gate) owned by two parties. If the said land is purchased / acquired, it will be useful for the University to develop Bio-diversity Garden to grow medicinal and herbal plants. By purchasing / acquiring the above land, the acquisition of adjacent forest land can also be requested from the Forest Authorities for maintenance. Thus, the land up to Jamboti Road can be utilized by the University. The Revenue map is enclosed for reference.

The matter is placed before the Executive Council for consideration and necessary direction.

18. Executive Council resolved to purchase/acquire the land R.Sy.No.562 adjacent to University Campus, near the north entrance gate, for VTU.
