Respected Sir,

Sub: Inclusion of **EDUSAT Feedback** and **SIT Status** forms in LIC Inspection format.

It has been observed that many of the colleges are not utilizing the EDUSAT facility to a good extent. In the latest EDUSAT Programme #23, the response from the affiliated colleges is very poor (Annexure-I).
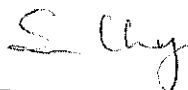

It is felt necessary to:

* collect **Data on EDUSAT Programme** utilization from the colleges with an intention of promoting the same, and

* know the Status of the SIT Facility provided by the University so that further action can be planned.

In this direction, I request you to kindly include the above mentioned forms in the LIC document, so that it creates an awareness and seriousness among colleges.

Further, I request you to convey the same to all the member conveners of LIC to personally visit the EDUSAT facility room in the colleges visited by them.

Thanking you

Yours Sincerely

22.01.2018

(Dr. P. Sandhya)
Special Officer
