Sub: ONE Day TEQIP – III sponsored workshop on NAAC Awareness
Programme (New Format - 2018).

Ref: Program Coordinator, VTU Centre for PG studies, Kalaburagi E-mail
dt:22.11.2019.

With reference to the above subject, this is to inform that Department of Mechanical Engineering, VTU Centre for Postgraduate Studies, Kalaburagi is organizing One Day TEQIP-III sponsored NAAC Awareness Program (New Format - 2018) on 30th November 2019 at Seminar Hall, VTU Centre for PG studies, Regional Centre Campus, Kusnor Road, Kalaburagi.

The objective of the program is to give awareness about NAAC process in its new format 2018 to all the VTU affiliated colleges and other institutions who want to get their institutions accredited by NAAC. As a part of quality mandate, University Grant Commission (UGC) has set the goal to get every Higher Education Institute (HEI) get accredited by 2022. Workshop aims to train the faculty members about the accreditation process as per 2018 new format of NAAC. Workshop mainly concentrates on comparable key indicators of quality in higher education.

For more details feel free to contact Dr.Venkatesh M.Kulkarni, NAAC Programme Coordinator, Professor & Programme Coordinator, Dept. of Mech. Engg., VTU Centre for PG studies, Kalaburagi, Mob: 9448014682, E-mail: mtpcoordinator@gmail.com

Selection will be done on first cum first serve basis. Selected candidates will be intimated by email. **No Travel/Daily Allowances are applicable for attending this workshop.**

You are hereby requested to bring this information to the notice of all concerned and encourage them to participate in the TEQIP-III sponsored NAAC workshop by way of deputing your faculty. **Registration for the program is free.** Interested faculty members of VTU constituent college/ affiliated colleges /autonomous colleges who are involved in the process of institutional NAAC accreditation and senior faculty members of such colleges who are ready to shoulder the responsibility of NAAC work are requested to register their name by sending the softcopy of the registration form duly signed by Principal/ Head of Institute by email: **mtpcoordinator@gmail.com.**

By Order,

REGISTRAR

To,

The Principals of all the constituent/affiliated engineering colleges of VTU.

Copy to:

- 1) The Regional Directors (I/c), VTU Regional Centres at Belagavi, Kalaburgi & Mysuru for information.
- 2) The CNC In-Charge, VTU, Belagavi to upload in the website.
- 3) The Secretary to VC, VTU, Belagavi.

About Visvesvaraya Technological University

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 20 years of tradition of excellence in Engineering & Technical Education, Research, and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. University has successfully achieved the tremendous task of bringing various colleges affiliated earlier to different universities, with different syllabi, different procedures and different traditions under one umbrella. It has four regional centers across the State of Karnataka in Belagavi, Bengaluru, Kalaburagi, and Mysuru. University is comprised of multi-disciplinary and multi-level institutions offering wide range of programmes in Engineering, Technology, and Management. The University is making steady progress in developing and providing best conducive environment for technical education and will continue to serve the nation in coming years.

VTU is the first university in the country to take innovative steps in the examination reforms by adopting ICT technologies including indigenous Digital Evaluation System software. **VTU** has established various *Centers of Excellence* across Karnataka to create world class infrastructure that can be shared by researchers, innovators and industry people.

About Department of Mechanical Engg.

The University Department of Mechanical Engineering was established in the year 2011. The department encompasses highly qualified dedicated faculties who imbibe and nurture the students with all practical skills apart from the teaching-learning process. Department of Mechanical Engineering offers five M.Tech. degree programmes namely in Computer Aided Engineering, Industrial Automation Engg., Machine Design, Product Design & Manufacturing, Thermal Power Engineering and Ph.D. degree programme in Mechanical Engineering Science.

M.Tech. Degree programmes in Machine Design and Thermal Power Engineering and PhD in Mechanical Engineering Science are being offered in VTU PG centre located at VTU Regional Centre, Kalaburagi which has around 16 acres lush green campus. It has the entire infrastructure required for imparting quality education through its well structured administrative and academic staff for overall development of students' personality. The centre also houses four other University Departments namely Dept. of Civil Engineering, Dept. of Computer Science & Engineering, Dept. of Electronics & Communication Engg. and Dept. of Management Studies. All the departments have well qualified faculty members at all levels and faculty are involved in research and development actively through various sponsored research programmes.

Objectives of the Programme

- To review the present system of education and identify the challenges in quality higher education in India.
- To suggest measures and procedures to overcome the challenges as per new 2018 format.
- To share best practices of higher educational institutions in India and their acknowledged contribution for quality enhancement.
- To understand the comparable indicators of quality in higher education.

Expected Outcomes of the Programme

- Institution to know its strengths, weaknesses, and opportunities through an informed review process.
- Identification of internal areas of planning and resource allocation.
- Collegiality on the campus.
- Funding agencies look for objective data for performance funding.
- Institutions to initiate innovative and modern methods of pedagogy.
- New sense of direction and identity for institutions.

- The society look for reliable information on quality education offered.
- Employers look for reliable information on the quality of education offered to the prospective recruits.
- Intra and inter-institutional interactions.

Who Can Register

- Faculty members of Autonomous colleges /Constituent College / Affiliated Colleges of VTU, Belagavi who are involved in the process of institutional NAAC accreditation.
- Senior faculty members of Autonomous colleges/ Constituent College / Affiliated Colleges of VTU who are ready to shoulder the responsibility of NAAC work.
- Faculty members, who have worked for NAAC in earlier format, want to enhance their knowledge and ready to advice NAAC activities as per new format.

Participants are required to register their names by sending the softcopy of the registration form duly signed by Principal/Institute Head to : mtpcoordinator@gmail.com

Resource Persons

- Dr. Umakant P Kulkarni, Professor & HOD, Dept. of CSE and Accreditation Coordinator, SDM CET, Dharwad.
- Dr. M. S. Shyamasundar, Advisor, NAAC, Bengaluru.

Selection of Participants

The batch size of the participants is limited to about 75. Selection will be done on first cum first serve basis. Selected candidates will be intimated by email.

Travelling /Dearness Allowance

No Travel /Dearness Allowances are applicable.

Registration Fees

There is no registration fees for attending the workshop.
For registration, contact: 8618347764.
