K R Puram, Bengaluru - 560036.

NBA ACCREDITED | NAAC ACCREDITED | ISO CERTIFIED

ABOUT AICTE

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level Apex Advisory Body to promote planned and coordinated development of technical education in the Country ensuring World standards in the institutions through facilitating and enabling mechanisms. AICTE expands opportunities for our youth on a massive scale and in diverse fields of basic science, engineering and technology, health care, architecture, management, along with long reforms in the higher, technical, and professional education sectors. The long-term goal is to set India as a nation in which all those who aspire good quality higher education can access it.

ABOUT INSTITUTE

Cambridge Institute of Technology (CiTech), is in the forefront among providers of quality education in the State of Karnataka. The college imparts technical education to more than 3000 students in UG and PG programs and provides facilities to research scholars by implementing outcome based education (OBE).

The CiTech has exemplary faculty to meet the global challenges in higher education. As a testimony to the quality of education being imparted, the CiTech has been awarded accreditation by NBA, NAAC and certified by ISO. Further, the college is awarded a global ranking by QS international. In resonating with the societal issues, the CiTech has adopted zero - waste management system and has taken various Institutional Social Responsibility (ISR).

OBJECTIVES OF SEMINAR

- To know technical teacher training policies and its implementations.
- Awareness about AICTE quality initiatives in technical education.

HIGHLIGHTS OF SEMINAR

Major topics to be covered during the program:

- Training faculty members on “universal human values”.
- Imparting teaching pedagogy skills and other aspects.
- Effective class room interaction.
- Usage of ICT tools.
- Effective methods for evaluation of students.

OUTCOMES OF SEMINAR

- Aware all Participants about norms and standard of AICTE.
- Awareness about technical teacher training policies.
- Implementation of technical teacher training policies.
- Qualities initiative and improvement technical education.
