#### **SELECTION PROCESS**

As part of our selection process, we will conduct an online test covering Analytical, Verbal and Programming modules.

Shortlisted students will be invited for two rounds of personal interviews (Technical and HR)

#### **Student Information**

- Students must carry the following for the recruitment Process - University ID card, 2 Recent PP size photographs (both ears visible in light background), Resume (max of 2 pages), all academic mark sheets & certificates (original & 1 Photocopy) for verification
- Students must carry 1 Photocopy of their PAN Card, Aadhaar card and Passport (front & back page).
- Colleges need to authenticate the % of the candidates, via the college administration department records prior to the registering them for recruitment process
- Please ensure that only those students who meet our criteria appear for the Cognizant

## Guidelines for Auto Proctored Test:

- Candidate needs to take the test on a computer/laptop system equipped with working Web-Cam (external or built-in) and smooth internet connectivity throughout the testing session of 120 Mins.
- Candidates are advised to take the test in all fair means.
  - The system is built with various artificial intelligence mechanisms to track malpractice and any extended help. Such candidate would be disqualified from the recruitment process without notice
  - Other than the intended test taker, if any 2nd person image is captured in the vicinity during the test process, his/her test will be dis-qualified and this disqualification may happen at any stage of the process and it is solely a discretion of Cognizant team
- While taking up the online test, candidates are advised to not to move out of the test screen, e.g.: Do not open another tab or application like notepad, excel or web browsers like Google, etc.
- Do not try to click Print Screen or Copy the content while the test is in progress, the system will disqualify the candidate instantly.
- There should not be any hindrance to the Web-Cam's lenses. It should not be covered with any object and should always have the test taker right in front of it.
- Do not try to take any snapshot while the test in progress. Use of Mobile phones, Cameras during the entire duration of test is strictly prohibited.
- In case test gets stopped/halted due to Internet or electricity failure, the candidate will be able to resume his/her assessment from the same point it got logged out without losing any time. Candidates are advised to wait for 5 mins, login again using the same credentials and click on 'Resume Incomplete Test', candidate will have to select his name and continue attempting the test. The candidate will be able to login within 2 Hours of tests getting halted, test will expire if candidate doesn't login again within this time.

**Last date for Registration is 23/03/2020**

**Registration Link to apply**

**<https://forms.gle/i2pQQaAXT52Pm5Lp7>**
