Sub: Webinar from AICTE

AICTE has already informed regarding conducting sessions on Universal Human Values (UHV) during the induction program (UHV-I) in the colleges as well as running the course on UHV in the second year (UHV-II). In this connection, I would like to inform you that a series of workshops (webinars) are being conducted by AICTE in online mode. AICTE is expecting all the heads of institutions (Directors, Principals, Deans and other heads) to be a part of any of those.

One such workshop is being held on 25th April 2020. The details are enclosed. All the Heads of Institutes along with their senior faculty are directed to participate in this webinar.

Details are enclosed.

REGISTRAR

Dear Sir,

Greetings of the day!

AICTE has already sent you mail regarding conducting sessions on Universal Human Values (UHV) during the induction program (UHV-I) in your university as well as running the course on UHV in the second year (UHV-II). In this connection, I would like to inform you that a series of workshops (webinars) are being conducted by AICTE in online mode. AICTE is expecting all the heads of institutions (Directors, Principals, Deans and other heads) to be a part of any of those. Formal mails are have been sent to you from time to time as well as to the concerned assigned. As I am getting feedback from AICTE that the desired response from our region is not there in the workshops/webinars, hence I am sending a mail as a follow up. It will be great if you can be a panelist in the next English workshop which is commencing from 25th April. You will be receiving the formal invitation again with guidelines for registration and logging in. Kindly make it convenient to attend by all the heads of institutions under your university.

Different approaches have been taken by AICTE to take this content effectively to maximum number of students. With a view to rightly utilize this lockdown period, a top to bottom approach is being attempted vigorously. To begin with, an online workshop on UHV was conducted from 2nd - 6th April 2020 for all officers of AICTE, including Chairman, Vice Chairman, member Secretary, IPC, all Regional Officers and other important officers. Chairman Dr. Anil Sahasrabudhe himself attended all the sessions with all the officers, even me being a part of it. The response of the workshop was overwhelming.

Motivated by the success of this workshop, a second workshop was conducted exclusively for VCs and UCs from 10th to 14th April from selected Universities, (including VTU). That also came out with a similar response to the initial online workshop. 14 VCs were present during the entire sessions and about 20 VCs participated along with 80 other participants,(UCs and RCs). Two were there to represent VTU as well.

Now, further workshops are going on region-wise for Directors, Principals, Deans and important policy makers in the presence of respective Vice-chancellors. In this line, the next workshop is going to start from 25th April. Your orientation to the content and your interaction with the Chairman sir as well as NCC- IP team is very crucial for the effective and smooth conduction of UHV-I and UHV -II under VTU. If you can mobilize the entire team (Pro Vice-chancellors, Dean Academics, Director Academics and other Heads of VTU) to attend the inaugural session on 26th April - Sunday, 10am -11:30am, that will be highly appreciated.

We are certain that VTU will find it fruitful and take it far ahead. Looking forward to a positive response.

Thank you.

Regional Officer, SWRO.
AICTE, Bangalore.
