Circular

Sub: FOSSEE is Scilab Toolbox Hackthon...reg.

With reference to the above cited subject, this is to inform you that, VTU has been promoting use of free and open source software through its FOSS group which is aligned with FOSSEE project of IIT Bombay. One of the initiatives of FOSSEE is Scilab Toolbox Hackathon which is endorsed by VTU.

The objective of this hackathon is to make available any established open source software callable from Scilab, thereby extending the capabilities of Scilab.

The URL of this hackathon is <https://scilab.in/hackathon>.

All the Principals of affiliated/constituent and Autonomous colleges are requested to bring this circular to notice of all students and faculty members and encourage them to participate.

By order,

REGISTRAR

P-g.P.Ti

To,

All the Principals of Affiliated / Constituent and Autonomous Colleges

Copy to :

Scilab Toolbox
Hackathon

— 8 JUNE 2020 —

15
Hackathon

Registration starts on

24 May 2020

Registration ends on

31 May 2020

Rewards & benefits

Cash prize, e-Certificates

Internship opportunities

What is Scilab Toolbox Hackathon?

Scilab Toolbox Hackathon is an online, nonstop "Scilab Toolbox Development" based on an established open source software, a competition initiated by the FOSSEE Project, IIT Bombay. It aims at inspiring minds across the globe to build outstanding toolboxes for Scilab.

Who can participate?

Anyone who is well acquainted with software development and interfacing different types of software can do well in this hackathon, if they have as partner(s) people who are knowledgeable about any application area, and with some Scilab familiarity.
