## INTRODUCTION

The annals of education witnessed a phenomenal leap with the inception of Visvesvaraya Technological University (VTU) in Belgaum. It is named after the great luminary and the son of the soil Bharat Ratna Sir M. Visvesvaraya.

The VTU was established in 1994 by the Act of State Legislature: Visvesvaraya Technological University Act 1994 (VTU Act 1994) and started functioning from 1<sup>st</sup> April 1998. This University has State wide jurisdiction. This University has been established for the purpose of ensuring proper and systematic instruction, teaching training and Research in the development of Engineering, Technology and allied Sciences in the State of Karnataka. With this motto, the University has been providing high quality education in the faculties of Engineering, Technology, Allied Sciences and Management through its departments as well as affiliated colleges. In each programme the University ensures the provision of high quality education, the pursuit of knowledge and the generation of new ideas.

VTU provides ample opportunities to the student community who desire to acquire knowledge in Engineering/Technology by offering a wide range of programmes i.e.UG (B.E./B.Tech./B.Arch.) in 35 Disciplines, PG (M.Tech./M.Arch./MBA/MCA) in 94 disciplines respectively, All these courses are as per the standards prescribed by the All India Council for Technical Education and the University Grants Commission.

### **Academic Section:**

#### **Registration to Doctoral Programmes:**

VTU promotes research activities including registration of research programmes. For the current year (2014-15), 1973 registrations have been done for doctoral programmes.

#### **Faculty Development Programmes:**

Vision Group of Science & Technology (VGST), Karnataka has sanctioned Rs. 40 Lakhs towards the Faculty Development Programmes for the year 2014-15. This was the sixth year in succession, where the VGSIT has been sanctioning funds for FDP. VTU has conducted 20 FDP programmes in 2014-15.

### **Examination Section**

The Examination Section of the University is headed by the Registrar (Evaluation). Special Officers are working in the Examination section under the Registrar (Evaluation). The examinations are conducted on semester basis. During the Examinations conducted in July 2014 & January 2015 - approximately 2,75,316 & 2,98,368 students (including UG & PG) have taken examinations respectively.

Theory and Practical Examinations were conducted smoothly with the best co-operation of the Principals & Staff of Engineering Colleges. The Examination Section is fully computerized delivering results in a record time with impeccable accuracy.

### **Finance Section**

The 52<sup>nd</sup> Finance Committee of the University has approved for Annual Budget for the year 2014-15 and provided anticipated Revenue of Rs.186.95 Crores and Expenditure of Rs.262.57 Crores. And for deficit balance amount of Rs.75.61 Crores, University has requested the State Government to sanction development grants VTU, Belagavi based on the proposed expenditures of the four Government Engineering Colleges.

The actual Revenue collection during the year 2014-15 is Rs.201.44 Crore as against Budget provision of Rs.186.95 Crores. The actual collection is more than the anticipated receipt is mainly due to collection of 'e-Consortium' fees from the colleges, which is not included in the Budget estimation.

Since inception of VTU, Belagavi, has not enhanced the fees and collecting the fees as determined during the year 1998-99. The major revenues of the University is in the form of Registration, e-Learning Fees, Affiliation Fees, from the Academic wing, and Examination Fees, Re-Valuation / Re-totaling fees, Convocation Fees are from the Examination wing.

As against the revenue derived, University has incurred an expenditure of Rs.168.00 Crores as revenue nature expenditures for the year 2014-15 under various heads. And Rs.127.81 Crores as Capital expenditures incurred at VTU's Head Office, Regional Offices and Constituent College.

### **National Service scheme**

A meeting of NSS was convened during the financial year, Dr. H. Maheshappa, Hon'ble Vice-Chancellor, V.T.U. presided over the meeting. Dr. A. G. Bujurke., NSS Prog. Co-ordinator, NSS, VTU co-ordinated the meeting. The Government of Karnataka has released a grants of Rs.14,33,986 for the year 2014-15 which was duty allotted to 7000 NSS Volunteers for 70 Units. In the NSS Advisory Committee meeting, the Registration of 7000 volunteers from 70 NSS Units and the budget for the year 2014-15 has been approved. Out of the released grants it is decided that, each Unit for Regular activities Rs. 20,800/- grants to be released and the NSS Cell, VTU, Belagavi has been distributed 1<sup>st</sup> installment of Rs. 16,000/- to all 70 NSS Units with a condition that the balance grants i.e., Out Pocket Allowance of Rs. 4,800/- which is to be paid to the NSS Programme officer will be released after settlement of Accounts.

### **Sports Section**

#### **“The Achiever's Day Function” for the year 2013-14:**

The Achiever's Day function for Sports and Cultural achievers was conducted at amphitheater, VTU, Belagavi on 5th November 2014. The Chief guests were Sri. Bhaskar Rao (IPS) Inspector General of Police Northern Range, Belagavi, Sri. Bharat Lal Meena (IAS) Principal Secretary to the Govt. Dept. of Higher Education Government of Karnataka Guest of Honor Dr. B. K. Ravi Professor Dept. of Communication, Bangalore University, Bangalore & Dr. H. G. Shekharappa, RE, VTU, Dr. H. Maheshappa, Hon'ble Vice chancellor VTU, Belagavi presided over the inaugural function and our Registrar Dr. K. E. Prakash, welcomed the gathering and Dr. A. G. Bujurke, Director of Physical Education delivered the vote of thanks

### **17<sup>th</sup> VTU Inter Collegiate Athletic Meet -2014-15:**

The 17<sup>th</sup> VTU Inter Collegiate Athletic meet for the year 2014-15 was organized at VTU Campus Belagavi during 5<sup>th</sup> to 8<sup>th</sup> November 2014. under the divine presence of His Holiness Sri Sri Sri Vishwasha Teertha Swamiji, Pejavara Matha, Udupi and the Chief Guests are Sri B. K. Chandrashekhar, Hon'ble former Minister of Primary & Secondary Education Govt. of Karnataka & Former Professor, IIMB and Ms. Sushmita Powar, Gold medalist in Kabaddi at the Asian Games-2014. Hon'ble Vice chancellor, Dr. H. Maheshappa, VTU, Belagavi presided over the function . Dr. K. E. Prakash, Registrar, VTU, Belagavi welcomed the gathering and Dr. A. G. Bujurke, Director of Physical Education proposed vote of thanks Dr. H. G. Shekharappa, Registrar (Evaluation), VTU, was present on the occasion.

### **Engineering Section**

Details of Developmental activities of Visvesvaraya Technological University, "Jnana Sangama", Belgaum, Regional Centres, Extension Centres, Constituent College & Skill Development, Dandeli

1. VTU Regional Centre, Srigandad Kaval, Nagarbhavi, Bengaluru:- The Development of VTU Regional Centre, Bengaluru works of Rs.30.00 Crores is completed and office is functioning in the campus. All required Interior works, electrical and air-conditioning works are also completed. The Campus was inaugurated by Sri Siddaramaiah, Hon'ble Chief Minister, Government of Karnataka on 29-04-2015.
2. VTU Regional Centre, Henchy-Sataghalli, MUDA Layout, Ambedkar Nagar, Mysore:- The Construction of Phase-II works such as Directors Bungalow, Quarters, Extension of Hostel Buildings, Convention Building, Mess & Gym Building, Interior works, Site Developmental works of Rs.84.00 Crores are in progress. The Construction of Compound Wall at 34 Acres of land at Choranhalli Village, Mysuru at a cost of Rs.1.00 Crore is completed.
3. VTU Regional Centre, Rajapur Kushnoor Road, Gulbarga:- Regional Office & P.G. Courses have started in the campus. The Interior works, Site Developmental works, water body and Electrical works including Audio Video system works of Rs. 4.5 Crore are completed. The campus was inaugurated by Sri Siddaramaiah, Hon'ble Chief Minister, Government of Karnataka on 28-11-2014.
4. VTU Extension/Institute of Advanced Technology Centre, Muddenhalli, Chikkaballapur in the allotted 200 Acres of land at Muddenhalli, Chikkaballapur District, for establishment of VTU Institute of Advanced Technology.

The work of cutting, leveling and blasting of hillock of Rs.3.10 Crores is completed. The Phase-I Developmental works P.G. Blocks Dinning, Boy's Hostel Girl's Hostel amounting to Rs.78.00 Crores is completed. The work of Construction of Phase-II Building at VIAT., Muddenahalli, Chikkaballapur Dist of Rs.124.04 P.G. Admin Guest House Hostels, sanitary Water supply & Electricity works are in progress.

The formation of Roads at VTU Institute of Advance Technology Campus at Muddenahalli of Rs.9.56 Crores is entrusted to the contractor and work is in progress. The landscaping and site development works will be takenup shortly.

5. UBDTCE., Davangere:- The Construction of Class Room Complex at UBDT., College of Engineering, Davangere at Rs.22.17 Crores is in progress. The Construction of Auditorim Building at Davangere of Rs.32.69 Crores is also in progress.
6. VTU National Academy for Skill Development, Dandeli:- The construction of Phase-I Buildings VTU National Academy for Skill Development, Dandeli of Rs.10.00 Crore is in progress. In addition to 10 Acres of land allotted earlier the Govt. has sanctioned an additional 16 Acres of land for Development of VTU National Academy for Skill Development, Dandeli.

## **Library**

### **1. 1. Introduction**

The VTU library is a centre of excellent collection of science and technology information resources and has a mission to plan for the development of science and technological information resources hub to establish value based and need based quality resources. With a view to generate good research activities in academic environment, the VTU library is playing significant role in facilitating creation and dissemination of knowledge to societal needs. However, the VTU main library system embraces the Central Library for its three regional PG study centers and constituent college libraries that collectively support the teaching, learning, research and extension programmes of the University.

The VTU library is fully computerized. It uses the (Integrated Library Management Software) ILMS Package which also provides web-based enabled access to the online catalogue of library. The present library collection has increased to more than lakh volumes of text and reference books, theses, journals, project reports and compact discs in the fields of Engineering, Science & Technology, Humanities, Literature, Philosophy and Management. Further VTU subscribes for print journals and also promotes the use of electronic database and full text access to e-Resources. The library has established its dream project of VTU Consortium successfully.

The total collection of library as on March 2015 stands as follows:

| <b>Sl. No.</b> | <b>Descriptions</b>            | <b>Total as on<br/>31<sup>st</sup> March<br/>2014</b> | <b>Added<br/>during<br/>2014-15</b> | <b>Total as on<br/>31<sup>st</sup> March<br/>2015</b> |

## Preface

We are extremely happy in presenting the Annual Report of Visvesvaraya Technological University, (VTU), Belgaum for the academic year 2014-15. VTU, named after Bharat Ratna Dr. Sir M. Visvesvaraya, was established by Government of Karnataka on 1st April 1998 as per the provisions of VTU. VTU has jurisdiction over the whole state of Karnataka and has its Head Office located in Belgaum and has four Regional Centers located at Bangalore, Mysore, Gulbarga and Belgaum.

Education, in general and technical education in particular, has occupied a centre stage in the 21<sup>st</sup> century knowledge society. It enables an individual, and thereof a society, to transform towards a knowledge society. It is an imperative tool for the holistic development of the society. With this view, VTU does not restrict itself only to curricular activities but emphasizes on the overall growth of knowledge in society and hence its campus in Belgaum is named aptly as “Jnana Sangama”.

VTU is one of the prestigious and largest Technological Universities in India having affiliation of 202 Engineering colleges. VTU imparts technical education to over 4 lakh students under its 35 Undergraduate and 94 Postgraduate Programs (M.Tech., MBA & MCA) apart from doctoral programs (Ph. D., M. Sc. Engg.) in 707 departments, which have been designated as research centers covering all disciplines as a forerunner to transform VTU from a teaching centric University into a research and knowledge centric University.

I am extremely happy to inform you that, recognizing excellence and innovative activities at VTU during the last three academic years, VTU has bagged many Awards and Honors like, 2014 International Quality Award of BID Group One, USA, Best Innovative Technological University in India, National CCI Education Excellence Award and ESQR Best Quality leadership Award.

Within a short span of 16 years, University has endeared itself to so many professionals all over for its integrity, commitment, belief in change and excellence in everything it does. VTU and its graduates have contributed tremendously to the state of Karnataka in creating the past, present and future of engineering for the wellbeing of the society at large.

It is my proud privilege to place before you the performance, activities and accomplishments during the academic year 2014-15 in the form of annual report. This report is presented in two parts such as Introduction and Analytical Information. The introduction part highlights the basic information of the University and major achievements and events of the academic year. The analytical information part of the report presents the detailed information collected from all the affiliated colleges and departments of the University.

I would like to place on record my deep sense of gratitude to every enthusiastic Executive Council and Academic Senate Members of VTU for their support and co-operation. My special thanks to Government of Karnataka for their help, co-operation and guidance. Academic and administrative communities of the University have rendered immense help in compiling and publishing this report. I express my heartfelt thanks to the Officers and staff of the University, who rendered excellent support in bringing out this annual report.

**Prof. H. Maheshappa**  
**Vice Chancellor**

## UNIVERSITY PROFILE

### About VTU:

The annals of education witnessed a phenomenal leap with the inception of Visvesvaraya Technological University (VTU) in Belgaum. It is named after the great luminary and the son of the soil Bharat Ratna Sir M. Visvesvaraya.

The VTU was established in 1994 by the Act of State Legislature: Visvesvaraya Technological University Act 1994 (VTU Act 1994) and started functioning from 1<sup>st</sup> April 1998. This University has State wide jurisdiction. This University has been established for the purpose of ensuring proper and systematic instruction, Teaching training and Research in the development of Engineering, Technology and allied Sciences in the State of Karnataka. With this motto, University has been providing high quality education in the faculties of Engineering, Technology, Allied Sciences and Management through its departments as well as affiliated colleges. In each programme the University ensures the provision of high quality education, the pursuit of knowledge and the generation on new ideas.

VTU provides ample opportunities to the student community who desire to acquire knowledge in Engineering/Technology by offering a wide range of programmes i.e.UG (B.E./B.Tech./B.Arch.) in 35 Disciplines, PG (M.Tech./M.Arch./MBA/MCA) in 94 disciplines respectively, PG diploma courses, Research programmes such as M.Sc. (Engg.) by Research and Ph.D.

All these courses are as per the standards prescribed by the All India Council for Technical Education and University Grants Commission.

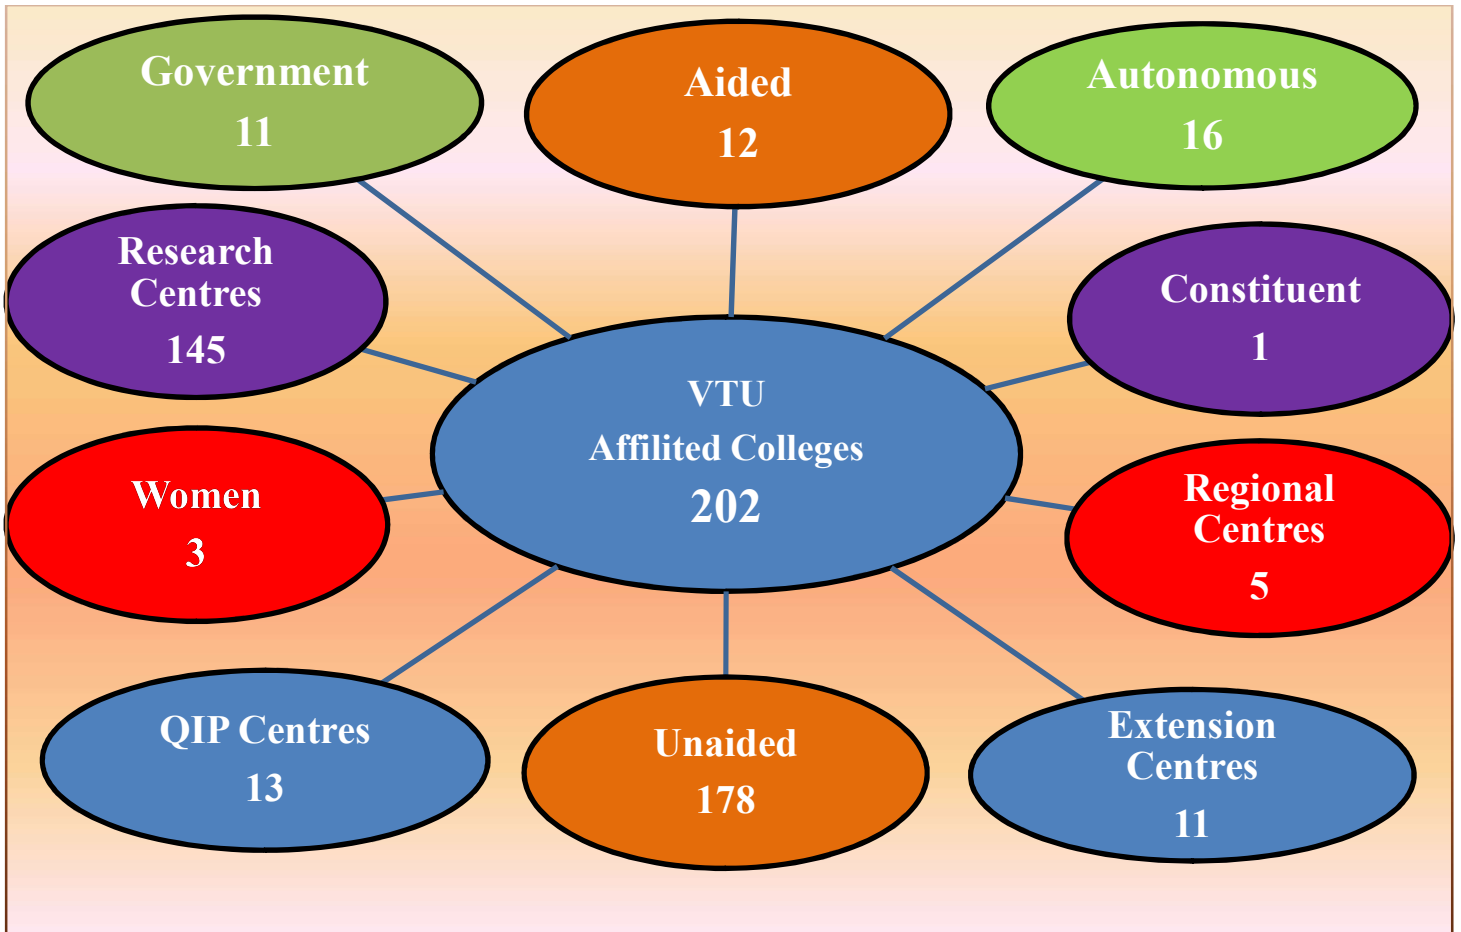

Visvesvaraya Technological University is one of the prestigious and largest technological Universities in the country having affiliation of **202** Engineering colleges and five constituent engineering colleges at Davangere, Gangavati, Huvinhadagali, Raichur and Karwar. VTU is imparting technical education to more than 4 lakh students under its **35** Undergraduate & **94** Postgraduate Programs. Doctoral programs in **707** departments in **133** Colleges which have been recognized as research centers.

### Recognition of the VTU

#### VTU has been Recognised by the following

- a. Karnataka State Govt. Notification GS 1 TUM 98 dt: 25-03-1998
- b. UGC Notification No. F.9-4/99 (CPP-I) dt: 24-08-1999 under 2(f) of the UGC Act 1956
- c. Association of Indian Universities Membership No. EV/II (60)98/132177-132407 dt: 17-09-1998
- d. Association of Commonwealth Universities, London dated 26-07-1999

## 13th ANNUAL CONVOCATION

### HIGHLIGHTS OF THE 13th CONVOCATION

Visvesvaraya Technological University, Belgaum organized its 13th Annual Convocation on 20th May 2014 at 11.00 am at 'Jnana Sangama', VTU, Belgaum.

- Sri R. V. Deshpande, Honorable Minister for Higher Education and Tourism, Govt. of Karnataka and Pro-Chancellor of VTU presided over the convocation and conferred the Degrees on the graduates.
- Sri Sam Pitroda, Advisor to Prime Minister, Public Information Infrastructure and Innovations, Govt. of India was the Chief Guest and delivered Convocation address and also received Honorary Degree of Doctor of Science (D. Sc.).
- Honorary Degree of Doctor of Science (D. Sc.) conferred on Prof. Ved Prakash, Chairman, University Grants Commission, New Delhi in his absentia.
- During 12th Annual Convocation, VTU conferred B. E. degree to 47586 students, B. Arch degree to 102 students, MBA degree to 5217 students, MCA degree to 2647 students, M. Tech degree to 4572 students, M. Arch. degree to 11 students. This year University is awarding Ph. D. degrees to 124 students and M. Sc (Engg.) degrees to 22 students.

**13<sup>th</sup> Annual Convocation  
Address  
Padma Bhushan Dr. Sam  
Pitroda**

**Founding Commissioner  
United Nations Broadband Commission for  
Digital Development**

Hon'ble Minister Mr. Deshpande, Mr. Vice Chancellor, various senior members of the academic Council, Faculty, Administrative members, Students, Families, Friends, Ladies and Gentlemen, Good Afternoon!

It is indeed a very special privilege to be here with you to deliver address at this 13<sup>th</sup> convocation and I thank to organizers for giving me this opportunity. This is my first ever visit to Belgaum. I drove last night and parted this morning. I appreciate the beauty of the State of Karnataka. You are indeed blessed with great scenery, great source of natural resources, forests, great climate and I am happy that today I have an opportunity to witness another great resource, i.e., the talent of the people of Karnataka. First I have to congratulate all of the

graduating students today, those who are here as well as those who are not here, for their great success, hard work and significant accomplishment. I cannot help but notice three main features of this convocation. One, there are lot many more girls getting gold medals than ever before. This confirms my belief in the fact that our girls are smarter, hardworking, sincere and deserve lot many more opportunities in the future. From my work in the Government for last 30 years, I must tell you, I have great luck with all our female employees. They are very loyal, they are single objective to do what they are supposed to do and they indeed make significant contribution to our development. Second feature I noticed is that, in Ph.D. degree programme there are lot many more senior people, which is really heartening to note that people do believe education is a lifelong activity. It is good to see many of our senior people going and working hard to get advanced degrees. It is good to see that they want to really better experience, research and environment for their research students and so I am indeed proud for all our Ph.D. students here and I really thank you for your efforts. Third feature I

noticed is that the amount of disciplines, specially when I heard about the gold medalists is phenomenal. It is not Civil, Mechanical, Electrical, There are lots of interesting areas that my generation never had an opportunity. So I hope that based on what you have seen today we have to feel proud of our students and I believe they can not only make a significant contribution to Karnataka, but also to the country and perhaps to the world. So I once again wish them lots of luck and I want to use this opportunity to talk about two things.

One, technology, because it is indeed institute of technology, VTU. I am sure your founding father would have been proud with all that you have done. That I want to take you through a simple journey on what we are talking about technology and talking about my own journey in technology. The lessons I have learnt that might help you in your journey going forward. Technology is a greatest special reveler second only to death. Technology brings you platform to create the quality. Technology is not about something exotic, fancy, urban and elite. Technology is all about problem solving. Some use and some abuse technology. Technology has indeed a great deal for mankind, specially for the last 50 years. Mortality has decreased, transportation, telecom has improved, energy resources have increased and over all concept has improved all over the world and technology has been able to lift large number of people from poverty all over the world. Just in the last decade, almost billion people have been lifted out of poverty and thanks to technology as one of the key elements. Most of these people have lifted out of poverty in China and I believe the next decade is the challenge for India to lift 400 million people out of poverty using technology as tool. Technology is just an entry point to bring about generational change. On the one hand, technology has solved lot of problems and on the other hand, technology has not been able to solve problems related to hunger, environmental blunders, violence, wars, to some extent poverty and lot many more. Technology predominantly in the last 50 years has come from the U.S. Almost everything needed today that has mass appeal

whether it is computer, software, DNA, Laser, Microprocessors, Genetics, Biotech, Nanotech has roots in the U.S. But when I say this to my European and Japanese colleagues, they react. The fact still remains is really what was really invented anything substantially in the last 50 years. We can do add little value here and little value there. But the core has come from the U.S and it has roots in Defence. As a result, lot of U.S. technology has not been able to benefit large number of people. I have been saying from last 25 years, that best brains in the world are solving problems of the rich. Problems of the poor people are not solved. As a result, problems of the poor really turn right kind of talent. We have largest number of poor in the world and we have huge amount of potential talent as we saw today. The key challenge for us is to use this talent and really address the problem at the bottom of the economic pyramid and that requires whole different kind of thinking. It requires focus on the affordability, scalability, sustainability. We must create Indian model of development. We must create different cost structures, different applications, because our problems are different. As a result there is a great need to take technology to rural areas. There is a great need to use technology in everyday life to benefit people. When I look at last 65 years of development in India, essentially after independence, I have seen five different technological developments, one agriculture. The fact that last year we produce largest amount of food ever in the history of India, say that we have been able to increase productivity substantially. But at the same time, we have largest number of hungry in the world. It says that, there is large room to bring technology in agriculture for logistic, storage and distribution processing to help eliminate hunger. Today we can feed 1.3 billion people and we have surplus food and credit goes to technology experts in Indian agriculture.

The second is atomic energy, third space and fourth re-production and fifth telecom and IT. I had an opportunity of working at Telecom and IT in early 80's. Then we have two telegraphs and we chose to take 10 years to have telegraph connection. We used

to have lightening call which require 8 times than a normal call. In a short span of just about 20-25 years today, we have 900 millions phones. The credit goes to Rajiv Gandhi who provided political will for us to do all that. He has given all the support with new strategy of rural telecom indigenous development local production, local industry and we created whole of the new models of STD, PCO that allowed us to privatize telecom in a different way. Very few people understand that it has to get from year to year. It has been a very interesting journey. In the process, I had an opportunity also to work in technology missions related to drinking water, immunization, edible oil, literacytelecom and milk production. Today we have been able to eradicate polio from the root and the credit goes to Rajiv Gandhi and Gang, who focused on polio vaccine production. Then, in 87 India did not produce any vaccine for polio. Today not only we have been able to eradicate polio, but we have been the larger producer of vaccine in the world. All these things take long time to get it done. But when people says that nothing has been done, I feel sorry for that. The day the understanding of what is done is very poor and how long it takes to get it done is very poor and India has a great deal in technology. However we can do a lot more. Telecom is one example. Software is another example bur interestingly very few people knew about roots. In Rajiv Gandhi's time, the Chairman of JE Electric has visited here and Jack wanted to sell us Engines. Rajiv called meto talk to Jack and Mr. Jayaram Ramesh, Wanteck and I had meeting with Jack. We said Jack we went to sell you software and Jack said I am not selling software, but I am selling Engines. Finally, Jack said what we want to sell him. We have him presentation about software. And he gave me order for 10 million worth of software. We startedorganising meetings when Infosys had not more than 8 people, Wipro had not more than 15 people and TCS had 100-115 people. In a short span of 35 years today we produced 120 billons dollar worth of software for export every year, year after year. That shows the talent in this country. If we put our mind to it, we can get it done. But it takes

again 30 years. Lot of hard work, success is not a shored. I spared about 10 years working on telecom. There are heart attacks, I undergone bypass, Rajiv Gandhi was killed and I decided to go back to US to feed my family. I restarted my life and with that point of time, I was 55 years old. I had given up my US nationality, I go back to U.S. as a tourist and working as tourist. I restarted my life and then decided to come back to and work in India because I was convinced that in India we will get substantial knowledge as it. On the one hand we have lots of people and on the other hand we cannot find the people we need. There are people who cannot find a job. We need carpenter, electrician, plumber, construction worker etc. People we graduate are many times are not employed. They cannot write well, they cannot read well, they cannot communicate. We need to really retrain them. It is in this kind of environment where we need to see education. We planned about 4-5 years planning, knowledge strategy in the country and National Knowledge Commission. Lot of these documents are already on the web. If we look at National Knowledge Commission, it will tell all about what kind of work we need to have been done in the next 20 years in India for knowledge. That comes a way interesting opportunity for all of us today is about internet, where internet has changed everything. It has changed products, processes, business models, it will change education, it will change health services, it will change Government. With internet the richness has increased. To be internet is the biggest happening in the mankind after fifteen thousand years. When language has invented, it would bring group of people together. Internet can bring the world community together. When we connected India, we brought everybody together. But Internet bring the people together in a very different way. The main challenge now is to take this connectivity forward. We have really great broadband infrastructure to country by the next 10 years. That in turn will benefit the education, governance, empowerment, media and everything. Lots of colleges are already connected to the network. We are now building a network to connect

## NEWS LETTER

Page  
7

15,000 panchayats. At Panchayat level everyone has access to videos for training, education, health and lot more. We are creating platforms for ID, GIS, applications, we are computerizing 32 million Court cases, police prisons and all of these required huge amount of investment. Government has put in 100 thousand crores in building these infrastructures for the future and for the future generation, very few people know about these things. It is these infrastructure which is going to lay design for the entire country in the next years. It is these infrastructures, that is going to give us new tools, new jobs. Today when people graduates from colleges, they are always looking for jobs. We want them to create jobs. We need to create more than 10 to 15 million new jobs every year after year and these jobs cannot be created by Government. These jobs will have to be created by local entrepreneurs. As a result, we need graduate students who create jobs and not graduate students who look for jobs. Everyone of you have potential to create 10-20 jobs. If you pay attention to it, what it means is you need to think differently and come decided at national levels to create institutions and infrastructure for innovation. We have National Innovation Council, every state has created State level Innovation Council and I need to state that Karnataka has very good State level Innovation Council. We have set council for Biotech, Nanotech, Materials, Diabetes and all that. We have experts to lay a plan for next 20 decades, we have created a big innovation fund, we are going into industrial clusters in schools to teach 7th graders and 8th graders about innovation and making lots of things like this. But again it takes a decade or two in a country of 1.3 billion people. Nothing happens very fast. It is process that is important. When I look at India I find three structures. One, disparity. Disparity between rich and poor, urban and rural, educated and uneducated. Two, unemployment, How we create jobs for them. How will we train them, give them nutrition, shelter to all of them. Because this is a work force for the world. Everywhere else population is decreasing and aging. In India population is increasing and young.

Third is development. How do we expedite the process of development. Everything is happening in India, but perhaps development is not happening in the face we like. All these education has to ultimately address these three things. In everywhere we look around, we need expansion, more doctors, more nurses, more hospitals, more colleges, more jobs. Everywhere we need excellence, but quality of education is bad, quality of governance is bad, quality of health service is bad. In everywhere we need to worry about equity. We need to carry everybody with you. We need to make sure that the poorest of the poor can indeed get the best education possible. All these challenges really relate to what do we do with technology. How do we use technology in a very effective way. In my journey the lessons which I have learnt, which I think might help you look something like this. One you need political will. Without political will not much can be done at national level. You need that clarity, you need that commitment of technology and you need that kind of support in the community. You need domain experts and domain experts have given freedom, flexibility, economy to do what they need. Three we need to create institutions for policy, research like VTU. You need that kind of an instrument at all levels at states, districts and national level. To really intervene, the right kind of policy to improve technology is improve efficiency, reduce cost and all that. When you need right kind of organizational structure, institutional frame work, biggest problem in India is we have great talent, but poor institutional infrastructure and organizational scheme to do two things. We have talented people, but you cannot get anything done, in a people who cannot get anything done in important positions. And you have mismatch. You are not focusing on redesigning organizational structures. You cannot believe technology as great organizational structure. You need disciplinary approach, you need to collaborate but we are not good collaborators. Indian don't have orchestra we are solo players. We need orchestra. All modern work requires team work. All research today through collaboration requires

great deal of speed and multi-disciplinary approach. These processes are very complex. Technology is one piece of the puzzle. We don't pay attention to the other piece of the puzzle, which is the most important piece. It is through these things that you make things happen. We don't have the right organizational design. We don't have the right structures to get things done. Everybody believes to address these issues because this requires generational change. It requires change in the power structure. It requires change in the delivery system. R&D is just a beginning, it is the deployment that needs lot more attention. Today technology is required in India in water, sanitation, environment, food, energy, broadband, education, health, governance, transport and housing. I am very excited about 4-3 technologies. I think where internet through biotech, nanotech, materials, alternate energy. These are the huge opportunity for the mankind.

With these technology, we can solve problems very differently. We can think about generational change, because today these technologies offer different kind of solutions. I tell lot of my young colleagues that you will need to be 150-200 years guaranteed. Mainly because technology is going to make sure that we have solutions for every possible diseases. I give example, I am 72 years old. I undergone two surgical bypasses. Thanks to technology I am here.

We see technology which is going to right up piece automatically. We see whole different way of solving problems, whether it is health problem, education problem. Why does it take four years to take a degree. Learning is not a degree. Learning is going on the web and search for things. Learning is a self-discipline. I don't need teacher today to deliver content and create content. I need teacher as a mentor. Most of the teachers are not paying to be mentors. With web, I can learn very differently. I see whole new world out there for young generation whether it is based on poverty or whether it is based on young talent. When I put these together I see great future in the mankind. Young talent are going to look at the problems very differently. I tell all the

young people, there are two people you should never listen to. One, your parents and two your teachers. Because the bare world is so different from the world you are going to create. If I listen to my parents, I won't be there where I am. Because they have no ideas. That was the asset. Ignorance is a great asset at times. My father had 4th grade education. He had no idea about what I studied. When he asked what you studied, I answered Physics. Never interfere with children. You leave them to explore. They want to map based on their experiences. Your experiences are going to be very different.

Finally I once again want to compliment you, congratulate all of you, wish you all the best of best in your journey forward and want to leave this message that technology is an entry point. It is not an end point. There are lots and lots of things that you want to learn in life besides technology to get something done. You can make friends and learn from other disciplines. We will have to learn psychology, philosophy, management. All of these things are very important to get your job done. Don't sit there just focusing on what you do, because you are not able to do as much as you could be. But let me also tell you can do anything. If I can do what I did, when I have done with the kind of family background I have, I was born in Orissa, a tribal little place, you can do lot better. I encourage you to take risk, I encourage you to be an entrepreneur, I encourage you to use technology to solve the problems of yourself, your family, your community and your Country and the world.

Thank you.

Sri R. V. Deshpande, Honorable Minister for Higher Education and Tourism, Govt. of Karnataka and Pro-Chancellor of VTU conferred Honorary Degree of Doctor of Science of VTU on Dr. Ved Prakash, Chairman, UGC in absentia. Dr. H. Maheshappa, Vice Chancellor of VTU received the D. Sc. on the occasion.

Sri R. V. Deshpande, Honorable Minister for Higher Education and Tourism, Govt. of Karnataka and Pro-Chancellor of VTU conferred Ph. D. degrees.

## VTU entered into MoU with Construction Industry Development Council

Dr. H. Maheshappa, Vice Chancellor of VTU and Dr. P. R. Swarup, Director General, CIDC have signed MoU document. Dr. K. E. Prakash, Registrar of VTU, Dr. D. H. Rao, Dean, VTU, Sri Amalan, Skills Advisor, CIDC were present on the occasion.

Visvesvaraya Technological University, Belgaum entered into Memorandum of Understanding (MoU) with Construction Industry Development Council (CIDC), New Delhi at "Jnana Sangama", Belgaum on 2nd June 2014. The basic objective of this MoU is to impart vocational and professional training leading to creation of employment opportunities to unemployed youth of state of Karnataka.

Dr. H. Maheshappa, Vice Chancellor, VTU and Dr. P. R. Swarup, Director General, CIDC have signed MoU document. Construction Industry Development Council, New Delhi is an apex organization, established by the Planning Commission, Government of India and is engaged in developing human resources for Construction Industry from last two decades.

On this occasion Dr. H. Maheshappa, Vice Chancellor, VTU said that, VTU, in association with CIDC, has proposed to establish Vocational Training Centre in the near future for the benefit of economically and educationally challenged youth of the state of Karnataka. The Center will also provide opportunity to engineering students to undertake

internship programme in construction industry. Further, we have proposed to conduct training programmes to Govt. employees working various departments such as PWD etc".

"CIDC would support VTU in the following areas, to guide VTU to establish this centre, to facilitate access to study materials, trainings & demonstrations, skill testing and certification, to support VTU to develop an effective placement cell" he added.

Dr. P. R. Swarup, DG, CIDC congratulated VTU for resolving to make the internship to engineering students a mandatory & essential requirement. In fact, this is truly, in consonance with the recommendations made by the Planning Commission in the 12th National Plan. VTU has taken important step to make the engineering education more meaningful & our young graduates more employable, we offer our integral support to VTU and its affiliated colleges, he said.

Dr. K. E. Prakash, Registrar of VTU, Dr. D. H. Rao, Dean, VTU, Sri Amalan, Skills Advisor, CIDC, Ms. Mamta Pandey, Project Manager, CIDC Sri Shanthakumar, Special Officer, VTU were present on the occasion.

## VTU Organized Voting Awareness Programmes

Organized HUMAN CHAIN at Chennamma Circle Belgaum to create awareness about the importance of voting. Dr. H. Maheshappa, Vice Chancellor of VTU, Sri N. Jayaram, Deputy Commissioner of Belgaum other senior officers and faculty members of VTU and 600 PG students

Visvesvaraya Technological University has actively involved and prepared various programmes to create awareness of compulsory voting during General Election-2014.

Voting in India is a Constitutional right if one is a citizen over 18 years of age. It has been a tendency among voters, especially in the urban areas, to treat the voting day as a day of rest. It is our duty as responsible citizens of India to make informed decisions and choose the best candidate from those presented.

The whole structure of Indian democracy is built on the foundation of voting. If citizens are not careful about casting their vote or skip their vote altogether, it will endanger the existence of our democratic Republic.

VTU has installed hoardings in prime locations such as Central Bus Stand, Bogarveys, Nehru Nagar Circle and Tilakawadi 3rd Railway gate. Installed big size Arch near Deputy Commissioner Office Belgaum.

VTU has printed 6000 Stickers and handed over to Deputy Director, Dept. of Publicity and Information Belgaum with request to arrange to stick the same on

private and Govt. vehicles.

It has been decided to organize HUMAN CHAIN at Chennamma Circle Belgaum on 4th April 2014 at 5.30 pm. About 600 Post-graduate students and staff of the University will participate and exhibit the HUMAN CHAIN with Fly cards creating awareness about the importance of voting.

Further, VTU has planned to send SMS to 4 Lakh engineering students studying in Engineering colleges all over Karnataka asking them to cast their vote compulsorily and also encourage other to cast their vote. The objective is to encourage young voters to participate in the electoral process without fail.

VTU has been planned Oath Taking Ceremony on 15th April 2014 at Saradar Ground Belgaum. VTU PG students and students from 7 local engineering college students will participate in event.

Further, VTU has instructed all its affiliated engineering colleges to organize such events in line with University.

## Organized Faculty Development Programme on 27th May 2014

Dr. Chandrakant Kokate, Vice Chancellor, KLE University, Belgaum inaugurated FDP. Dr. K. E. Prakash, Registrar of VTU, Dr. D. H. Rao, Dean, VTU and Dr. H. G. Shekharappa, Registrar (Evaluation) of VTU were present on the occasion.

VTU organized Four day Faculty Development Programme (FDP) on "Quality Enhancement in Teaching and Research Methodology to Bridge the Gap between Academics and Industry" at "Jnana Sangama" Belgaum.

The inaugural function of the programme was held on 27th May 2014. Dr. Chandrakant Kokate, Vice Chancellor, KLE University, Belgaum was Chief Guest on the occasion. After inaugurating the programme Dr. Kokate said that, technical education is important branch of study in the present scenario compared to other fields of study. Quality of teaching in technical education is the requirement of the day. But we are weak in teaching as far application is concerned. Industry expects from the academics, a manpower which is capable to meet its needs".

Our universities are producing best students but not according to the needs of industry. In this direction, VTU has initiated excellent steps to bridge the gap between academia and industry, he appreciated.

Dr. D. H. Rao highlighted the ways and means of achieving professionalism in the teaching job.

Dr. K. E. Prakash, Registrar of VTU presided over the function. He said that, VTU has initiated several steps to minimize the gap between academia and industry.

Dr. H. G. Shekharappa, Registrar (Evaluation), Dr. B. S. Kudachimath, Dr. Gavimath, faculty of Dept. of PG Studies, VTU and 70 faculty members from various affiliated colleges participated in the function.

Faculty Members participated in FDP along with Dr. H. Maheshappa, Hon'ble Vice Chancellor and other Senior officer of VTU

## VTU Organized Train the Trainer Program

Dr. K. E. Prakash, Registrar of VTU inaugurated the Train the Trainer Programme. Dr. D. H. Rao, Dean, VTU and Dr. Anand Shivapur, PG Co-ordinator of VTU were present on the occasion.

The Government of Karnataka, Department of IT aims to equip engineering students (Undergraduate and Post Graduate) in Karnataka colleges with skills based training to improve employability. To meet this endeavor, VTU proposes to partner with LATITUDE EDUTECH; Karnataka based Registered Education Provider (REP) of NASSCOM IT SSC as its implementation partner to deliver relevant modules of the FSIT, the industry recognized program, for 1715 engineering students per year and 50 faculty under train the trainer program.

**Program:** Train the Trainer- KBITS - VTU - NASSCOM IT SSC FSIT

**Date:** 7th and 8th MAY, 2014

**Time:** 10.30 am to 5.00 pm

**Venue:** Seminar Hall, VTU PG Center, Belgaum.

**Dignitaries present:** Registrar, Dean of Engineering, PG Coordinator, Program Coordinator - VTU, Belgaum, and Head-Training Programs, Latitude Edutech.

In this regard, Train the Trainer (for 30 member of faculty) program was conducted at VTU Belgaum, which was presided by Prof. K.E.Prakash Registrar VTU along with Dr.D.H.Rao the Dean of Engineering

as a guest of honor. Ms.MeeraPadmanabhan, Head Training Programs, Latitude Edutech and Dr.A.VShivapur, PG Coordinator, VTU PG Center, Belgaum, were also the dignitaries who shared the dais with the president for the program.

The key note address by Registrar on the program motivated the faculty of various PG centers to actively be a part of the program. "The engineering students of VTU have to enhance their knowledge and skills, to bridge the gap between the industry needs and current student potential" said the Registrar.

Dr. D.H.Rao briefed about the need for training individual and training of faculty of VTU. The key to 21st century learning "each individual has to learn, unlearn, and relearn" was highlighted by the Dean.

The PG Center Coordinator, Dr A V Shivapur welcomed the gathering and emphasized the need for training both the students and the faculty.

Ms. MeeraPadmanabhan briefed about the program and the step by step process in detail. Dr. R H. Goudar, the project incharge at VTU Belgaum, stressed the importance of training and its impact. He introduced the dignitaries and proposed the vote of thanks.

**Dr. N. S. Vyas, Vice Chancellor, Rajasthan Technical University, Kota, visited VTU, Dr. H. Maheshappa, Vice Chancellor of VTU, Dr. Dr. K. E. Prakash, Registrar of VTU, Dr. D. H. Rao, Dean, VTU and Dr. H. G. Shekharappa, Registrar (Evaluation) of 175 VTU and Sri Nishit Sahay, Chief Mentor, VTU-cSTPP and others were present on the occasion.**

**VTU entered into MoU with Indianeye Security Private Limited. Dr. H. Maheshappa, Vice Chancellor of VTU and Mr. Karan Dhual, CEO ILS signed the MoU document. Dr. K. E. Prakash, Registrar of VTU, Dr. D. H. Rao, Dean, VTU and Dr. H. G. Shekharappa, Registrar (Evaluation) of VTU and Sri Nishit Sahay, Chief Mentor, VTU-cSTPP and others were present on the occasion.**

## Activities of "Bio-Fuel Development & Demonstration Center of VTU"

VTU observed World Environment Day on its premises on Thursday 5th June 2014. Registrar (Evaluation) Dr. H.G. Shekharappa spoke about the importance of celebrating the day and protecting the environment. To mark the occasion many Biofuel saplings like Pongamia, Simarouba & Neem were planted by the faculty of P.G Centre and VTU staff on the campus. RFO of Social Forestry Department Sri. Satish, VTU Biofuel I & D centre Special officer Dr. Chidanand Gavimath faculty and staff members were present.

## Biofuel awareness camp & Inauguration of By-products of VTUs Biodiesel Centre on 15<sup>th</sup> June 2014.

Participants : 50 women from Mahila mandal, Ganesh nagar, Sambra, Belgaum & 80 MBA students & 12 faculty from Global Institute of Management studies, Belgaum. Honorable Vice-Chancellor, Registrar, Registrar (Evaluation) Dean & other dignitaries launched the By-products Nisarga Soap, Hand wash, Vehicle wash, Sanitizer & Biofertiliser. While addressing the audience Vice-Chancellor said the importance of these byproducts & how they are cost effective and he emphasize the use of these products.

**Organized VTU Inter Collegiate Tennis (Men & Women)  
Tournament 2014-15**

Dr. H. Maheshappa, Vice Chancellor of VTU felicitated Mr. Preetham Chougale, Inter National Body Builder, Mr. India & Eklavya Awardee. Dr. K. E. Prakash, Registrar of VTU, Dr. H. G. Shekharappa, Registrar (Evaluation) of VTU, Dr. D. H. Rao, Dean of VTU were present on the occasion

VTU Inter Collegiate Rest of Bangalore Zone & Inter Zone Tennis Men & Single zone Women and Selection trails Men & Women Tournament start from 6th to 10th May 2014 in this tournament about 16 Men and 6 Women teams were participated from various of affiliated colleges of VTU.

The tournament was inaugurated by Mr. Preetham Chougale, Inter National Body Builder, Mr. India & Eklavya Awardee and Mr. Umesh G. Kalghatgi International Swimming Coach "Specialized coach for Disabled". Dr. H. Maheshappa Hon'ble Vice Chancellor presided the function and Dr. K. E. Prakash, Registrar of VTU and Dr. A. G. Bujurke, Director of Physical Education were present for the function.

**Registration to Doctoral programmes:** A doctorate is an Academic degree that refers to a class of degree which by nature is the highest certificate of merit. A Ph.D. degree shows the highest attainments in a chosen field. As per the regulations, University invites applications for registration to doctoral programmes. The applicants have to appear and pass through the Technical Aptitude Test. The applications are also scrutinized by the expert body, namely Registration Committee along with Technical Aptitude Test, and then they will be permitted for registration. For the current year 1973 registrations have been done for doctoral programmes.

| Sl. No.      | Faculty of Research             | No. of Registrations |
|--------------|---------------------------------|----------------------|
| 1            | Management Sciences             | 130                  |
| 2            | Mechanical Engineering          | 435                  |
| 3            | Allied Science                  | 32                   |
| 4            | Computer Sciences               | 447                  |

| 6            | Electrical Engineering Sciences | 506                  |
| 7            | General Sciences                | 263                  |
| <b>TOTAL</b> |                                 | <b>1973</b>          |

#### **Governance of VTU:**

The governance of the University is mainly based on the decision of the Executive Council and Academic Senate.

**Executive Council:** is the principal governing body which meets several times in a year. The powers and function of the Executive Council are as defined in Section (20) of the VTU Act 1994.

#### **Executive Council**

|   |   |                            |   |  |                          |

### **Customs Duty Exemption Certificates:**

University issues Customs Duty Exemption Certificates to the affiliated colleges on application to the University in the prescribed format. The applications will be placed before the committee constituted to scrutinize the applications which give recommendations.

### **➤ REGIONAL OFFICES:**

The University has four Regional Offices in compliance with the section 18 of Chapter V of VTU Act 1994. The four regional offices namely are.

- |   |   |   |   |
|---|---|---|---|
| 1 | VTU Regional Office,<br>Rajapura, Kusnoor Road,<br>GULBARGA – 585 106                     | 2 | VTU Regional Office,<br>R H C S Layout,<br>Annapoorneshwari Nagar,<br>Nagarbhavi, Bangalore – 560 091 |
| 3 | VTU Regional Office,<br>Hanchya Sathagalli Layout,<br>Near Ring Road,<br>MYSORE – 570 019 | 4 | VTU Regional Office,<br>“Jnana Sangama”,<br>Machhe,<br>BELGAUM – 590 018                              |

The Regional Offices assist the University in smooth conduction of Examination and other works.

## ➤ **IMPORTANT DECISIONS OF THE EXECUTIVE COUNCIL:**

Some of the important decisions taken by the Executive Council of the University in six meetings held during the period from 1<sup>st</sup> April 2014 to 31<sup>st</sup> March 2015, are as under:

### **111<sup>th</sup> E.C. Meeting (19<sup>th</sup> April 2014)**

#### **Institution of “Jyothy Gold Medals” at VTU**

The Executive Council approved the institution of Gold Medals at VTU by Name “Jyothi Gold Medal” which are to be awarded to VTU students in recognition of merit performance for securing first rank in ECE, CSE, CE, and ME disciplines respectively, from the year 2013-14.

#### **Constitution of SC/ST Welfare Board at VTU**

The Executive Council resolved to constitute SC/ST Welfare Board at VTU as per the guidelines of UGC. Further, the Executive Council resolved to nominate the following Executive Council / Academic Senate members on the Board:

Dr. C. K. Subbaraya, Hon’ble Member of the Academic Senate, VTU

Dr. S. Basavarajappa, Hon’ble Member of the Academic Senate, VTU and

Dr. V. D. Mytri, Hon’ble Member of the Executive Council of VTU

#### **Introduction of Anti Plagiarism Software at VTU**

The Executive Council resolved to approve the introduction of Anti-plagiarism software at VTU. Further, The Executive Council resolved to fix the fee for second submission as Rs.5000/- and fee for third submission as Rs.7500/-.

#### **International Quality Summit Award – 2014 to VTU**

The Executive Council lauded the efforts of VTU to reach the greater heights to receive the International Quality Summit Award for 2014. Further, the Executive Council resolved to permit the Hon’ble Vice Chancellor to visit New York to attend the Annual International Quality Summit Convention organized on 25<sup>th</sup> and 26<sup>th</sup> May 2014 to receive the said award.

### **113<sup>th</sup> E.C. Meeting (10<sup>th</sup> June 2014)**

#### **Starting of new engineering colleges**

Executive Council recommended for starting of five new Engineering/Architecture colleges from the academic year 2014-15:

- Cauvery Institute of Technology, Mandya
- JAGM Institute of Technology, Jamkhandi
- Mysore School of Architecture, Bangalore
- R R School of Architecture, Bangalore
- Gopalan School of Architecture & Planning, Bangalore

#### **Sanction of financial assistance to the faculty for attending International Conferences**

Executive Council resolved to sanction the financial assistance of Rs.4.75 lakhs to 21 listed faculties for attending and presenting papers at the International Conferences.

### **114<sup>th</sup> E. C. Meeting (2<sup>nd</sup> August 2014)**

#### **Revision of syllabi of all UG and PG programmes at VTU**

The Executive Council resolved to approve the revision of Scheme & Syllabus of all UG and PG Programmes of VTU applicable from 2014-15 batch of students.

#### **Starting of new PG Programmes at VTU**

The Executive Council resolved to approve the starting of new PG Courses 'M.Tech. Aerospace Engineering' and 'M.Tech. in Waste Water Management, Health and Safety Engineering' from the academic year 2014-15.

### **115<sup>th</sup> E. C. Meeting (25<sup>th</sup> August 2014)**

#### **Shifting of VTU Centre for PG Studies from Chamarajpet to Muddenahalli**

The Executive Council resolved to approve the shifting of VTU Centre for PG Studies from the rented building at Chamarajpet, Bangalore to own Campus at Muddenahalli.

#### **Starting of new PG Programme**

The Executive Council resolved to approve the starting of new PG Programme 'M.Tech. in Infrastructure Engineering & Management' from the academic year 2014-15.

### **116<sup>th</sup> E. C. Meeting (6<sup>th</sup> November 2014)**

#### **Starting of new PG Programme**

The Executive Council resolved to approve the starting of new PG Programme 'M.Tech. in Renewable Energy' from the academic year 2015-16.

#### **Institution of Gold Medal in the name of Late Dr. T. Thimmaiah**

The Executive Council resolved to approve the institution of Gold Medal in the name of Late Dr. T. Thimmaiah, President Emeritus, Golden Valley 21st February ET' to be awarded to 1<sup>st</sup> Rank Holder in the 'Mining Engineering' subject.

### **117<sup>th</sup> E. C. Meeting (21<sup>st</sup> February 2015)**

#### **Introduction of Internship to B.E./B.Tech. students**

The Executive Council resolved to approve the Implementation of Internship for B.E./B.Tech. Students in the curriculum.

#### **Implementation of the Regulations governing Institutional Malpractice**

The Executive Council resolved to approve the draft Regulations governing Institutional Malpractices as finalized by the Institutional Malpractice Committee Meeting held on 30-10-2014 at VTU, Belagavi.

#### **Approval for On-line Portal Services – 'VTU Connect' and 'VTU Campus Connect'**

The Executive Council resolved to approve the proposal for On-line Portal services of VTU under the names and style of "VTU Connect" & "VTU Campus Connect".

## E-learning

VTU e-Learning Activities during April 2014 to March 2015 are detailed below:

### I. VTU e-Learning Studio:

#### a. Equipment procured under MHRD grants:

During this period, the VTU e-Learning Studio has been upgraded by adding following equipments procured from VTU-NPTEL-NMEICT project under grant-in-aid of NPTEL-NMEICT, MHRD, Govt. of India, New Delhi.

#### i. Software's Procured:

##### • Final Cut Pro:

Final Cut Pro a video editing application with features of Magnetic Timeline, multi cam tool, Compound Clips, Merged Clips, Database Engine, broadcast monitoring output, Roles, Media Stem output, clip skimming, de-interlacing setting for clips, XML support. Adding 3D text abilities, native support of Panasonic AVC-Ultra and Sony XAVC codec's, improved Trans coding, and alterations to FCP X libraries, key framing, and the color-correction module.

##### • Adobe Creative Cloud for Team:

Adobe Creative Cloud is software as a service offering from Adobe Systems that gives users access to a collection of software developed by Adobe for graphic design, video editing, web development, photography, and cloud services.

##### • Maya 2015 Software

Autodesk Maya is 3D computer graphics software. It is used to create interactive 3D applications, including video games, animated film, TV series, or visual effects.

#### b. Studio Support for outdoor video shooting and relay:

The VTU e-Learning Studio staff have been contributing various recording of significant events take place from time to time. The details are shown below.

#### April, 2014

- 1<sup>st</sup> to 6<sup>th</sup> April- VTU Intercollegiate Men/Women Hockey Tournament at Pavilion Ground, University of Mysuru, Mysuru.

#### May, 2014

- 18<sup>th</sup> -21<sup>st</sup> 13<sup>th</sup> VTU Annual Convocation at VTU Jnana Sangama, Belagavi.

#### July, 2014

- 8<sup>th</sup> -10<sup>th</sup> Workshop on Research Methodologies & Latex at VTU Jnana Sangama, Belagavi.

#### August, 2014

- 7<sup>th</sup> -9<sup>th</sup> MOU between VTU & RGBSI & National Karnataka Education Summit Awards-2014 at VTU RO, Bengaluru.
- 19<sup>th</sup> – 23<sup>rd</sup> VTU Intercollegiate Chess Competition at VTU RO, Mysuru

**September, 2014**

- 10<sup>th</sup> – 12<sup>th</sup> Workshop on Research Methodologies & Latex at Shridevi Inst of Tech, Mangalore.

**November, 2014**

- 05<sup>th</sup> – 08<sup>th</sup> -17<sup>th</sup> VTU Annual Sports Meet
- 26<sup>th</sup> – 30<sup>th</sup> – Inauguration of VTU Regional Office, Kalaburagi.

**December, 2014**

- 01<sup>st</sup> -05<sup>th</sup> FDP on Teaching Skill Sets- Discovering Teacher in You at VTU PG Centre, Mysuru
- 08<sup>th</sup> – 12<sup>th</sup> FDP on Teaching Skill Sets- Discovering Teacher in You at VTU PG Centre, Kalaburagi.

**January, 2015**

- 12<sup>th</sup> -17<sup>th</sup> FDP on Teaching Skill Sets- Discovering Teacher in You of VTU PG Centre, Muddenahalli at VTU RO, Bengaluru.
- 28<sup>th</sup> -29<sup>th</sup> Southern Conference on Skill Development for “Make in India” by ISTD.

**February, 2015**

- 10<sup>th</sup> – 13<sup>th</sup> FDP on Teaching Skill Sets- Discovering Teacher in You at UBBDT College of Engg, Davanagere.

**II. Revival of Satellite Interactive Terminals (SIT's):**

The Satellite Interactive Terminals (SIT's) were provided to affiliated colleges during 2008-2012. Subsequently, there were technical concerns expressed by the recipients and majority of the SIT's were dysfunctional.

A pilot survey was initiated on 15<sup>th</sup> December, 2014, where our e-Learning team members visited individual colleges and understood the status of the SIT's. 40 colleges were identified for this pilot survey. Out of 40 SIT facilitated colleges, 30 were in Bengaluru region and 10 in Mysuru region, of these 40 SIT's 07 SIT's are operational now.

The second phase was initiated on 09<sup>th</sup> March, 2014. 43 colleges were identified for this survey. Out of 43 SIT facilitated colleges, 17 were in Kalburgi region and 26 in Belgavi region, of these 43 SIT's 15 SIT's are operational now.

**III. EDUSAT State HUB:**

A meeting was held with Director, DSERT, Bengaluru and Director, M/s Gumbi Software Pvt., Ltd., Bengaluru to discuss about maintenance of EDUSAT State HUB and to resolve issues related EDUSAT State HUB in coordination with ISRO on 19<sup>th</sup> February, 2015 at DSERT Building, Bengaluru

**IV. Workshop on Research Methodologies and latex**

VTU E-Learning Centre had successfully conducted five workshops on “Research Methodologies and Latex.

The e-contents are hosted and made available to public under domain name <http://nptel.vtu.ac.in>  
A review meeting has been attended on 24<sup>th</sup> December, 2014 at Indian institute of Science, Bengaluru with Dr. K. Mangalsundram, Professor and NPTEL Coordinator, IIT Madras, Chennai and Dr. Kamalesh V N, Professor and Dean, T.John Institute of Technology, Bengaluru.

The PRSG Committee convened a meeting under the chairmanship of Prof. K Mangalasunder IITM, Chennai on 06<sup>th</sup> March, 2015 at VTU e-Learning Centre, Mysuru. Two PRSG Members and Nineteen Subject experts attended this meeting.

### **Action Planner**

For the first time the e-Learning Centre has prepared Action planner for the academic year January to December 2015 on 19th December 2014 to discuss on pending assignments and new initiatives of the centre.

#### **New Initiatives**

##### **a. e-Learning students needs assessments**

Conduct survey to understand what students really needs from e-Learning by giving a mini project for MBA students and towards exploring a survey template. Surveymonkey.com, meeting students personally and towards focus group discussion with in 15.03.2015.

##### **b. Web Steaming Solutions on demand or video learning**

Planned to develop video on demand learning by considering open source software tools and existing resources including existing animation at initial stage as a pilot. It is initiated to develop for one session with in 20.02.2015.

##### **c. Lab Experiment e-Videos**

Also to introduce open ended experimentation e-videos in VTU e-Learning banner. As a pilot to record one lab session for Mechanical, Civil, ECE, EEE, CSE and make available in new proposed streaming portal.

To execute this Pilot Project with 30.06.2015.

##### **d. Subject FAQ's**

Develop subject FAQ's by considering previous question paper with solution by subject experts and make available for the same in e-Learning domain.

##### **e. Workshops**

It is initiated to conduct Oracle training programme for Students and Faculties, IPR issues with Plagiarism for Research Scholars. It is initiated to process between February 2015 and launches the programme during April 2015.

A quarterly review meeting was conducted on 26th February, 2015 to review progress of the overall work done in the e-learning centre.

## Faculty Development Programme

### VTU-VGST Faculty Development Programme

The academic year 2014-15 was the 6<sup>th</sup> successive year in which the Vision Group of Science & Technology (VGST), Karnataka has sanctioned `40 Lakhs towards the Faculty Development Programmes. 20 programmes have been selected as per the list mentioned below:

| Sl. No. | Name of the College                                    | Title of the Programme   | Co-ordinator  | Industry Partner   |
|---------|--|--|---|--|
| 1       | AAkar Academy of Architecture, Bengaluru               | Creating & Designing Value in Architecture                                   | Prof. Ar. Chandran<br>Rekha Jetty                                 | OSSA Architects, Bengaluru,Marvel Motif, Bengaluru   |
| 2       | ACS College of Engg., Bengaluru                        | Sustainable Product Design & Manufacturing                                   | Dr. Raju B R  | Skanda Machine Tools Pvt. Ltd., Bengaluru  |
| 3       | Dayananda Sagar College of Engg., Bengaluru            | Recent Advances & Developments in Downstream Processing                      | Dr. R Ravishankar   | Cipla Ltd., Bengaluru  |
| 4       | Department of PG Studies, VTU, Muddenahalli, Bengaluru | Recent Trends in Renewable Energy Resources                                  | Dr. Chikkanna N,<br>Dr. Basawaraj,<br>Dr. G S Venkatesh           | Karnataka Renewable Energy Development Ltd. (KREDL), KPCL, Bengaluru, Suzlon Global Services, Orvakunda, Ananthapur (Dist) |
| 5       | Department of PG Studies, VTU, Muddenahalli, Bengaluru | Big Data Analytics   | Dr. Shiva Murthy G,<br>Dr. Kanta D<br>Devangavi,<br>Mr. Swamy L N | Cogzy Technologies Pvt. Ltd., Bengaluru  |
| 6       | East Point College of Engg. & Technology, Bengaluru    | Recent Trends in Alternate Source of Biofuels & its Sustainable Technologies | Prof. Kiran K   | Siddaganga Biofuels, Tumkur  |

**Constitution of New Boards of Studies:** In the University, there are different Boards of Studies for different engineering and technology disciplines. Period of each Board of Studies is three years. After every three years these Boards of Studies reconstitute afresh. The University has 17 Boards of Studies during the annual period 2013-14 (period of Board of Studies 2013-16) as follows.

|   |                                   |    |                                   |
|---|-----------------------------------|----|-----------------------------------|
| 1 | Aeronautical Engg.                | 10 | Electrical & Electronics Engg.    |
| 2 | Architecture Engg.                | 11 | Industrial Production Engg.       |
| 3 | Automobile Engg.                  | 12 | Instrumentation Technology        |
| 4 | Basic Science                     | 13 | Master of Business Administration |
| 5 | Bio-Technology                    | 14 | Master of Computer Science        |
| 6 | Chemical Engg.                    | 15 | Mechanical Engg.                  |
| 7 | Civil Engg.                       | 16 | Nano Technology                   |
| 8 | Computer Science Engg.            | 17 | Textile / Silk Technology         |
| 9 | Electronics & Communication Engg. |    |                                   |

### BOARD OF STUDIES

### EXAMINATION SECTION

The Examination Section of the University is headed by the Registrar (Evaluation). Three Special Officers are working in the Examination section under the Registrar (Evaluation). The examinations are conducted on semester basis. During Examinations conducted in July 2014 & January 2015 - approximately 2,75,316 & 2,98,368

students (including UG & PG) have taken examinations respectively.

Theory and Practical Examinations were conducted smoothly with the best co-operation of the Principals & Staff of Engineering Colleges. The Examination Section has computerized examination system, which is having 20 Client and One Server. With the dedicated staff the guidance of Registrar (Evaluation), results were published within the stipulated time.

## FINANCE SECTION

### BRIEF NOTES ON THE ACCOUNTS OF THE VTU, BELGAVI FOR THE YEAR ENDING 2014- 15

The financial transactions of the University have been fully computerized by adopting the developments made in the field of Information and Technology.

The some of the achievements made during the year 2014-15 in Finance Section are briefly narrated as follows:

- 1) The 52<sup>nd</sup> Finance Committee of the University has approved for Annual Budget for the year 2014-15 and provided anticipated Revenue of Rs.186.95 Crores and Expenditure of Rs.262.57 Crores. And for deficit balance amount of Rs.75.61 Crores, University has requested the State Government to sanction development grants VTU, Belgavi based on the proposed expenditures of the four Government Engineering Colleges.
- 2) The actual Revenue collection during the year 2014-15 is Rs.201.44 Crore as against Budget provision of Rs.186.95 Crores. The actual collection is more than the anticipated receipt is mainly due to collection of 'e-Consortium' fees from the colleges, which is not included in the Budget estimation.
- 3) Since inception of VTU, Belgavi, has not enhanced the fees and collecting the fees as determined during the year 1998-99. The major revenues of the University is in the form of Registration, e-Learning Fees, Affiliation Fees, from the Academic wing, and Examination Fees, Re-Valuation / Re-totaling fees, Convocation Fees are from the Examination wing.

As against the revenue derived, University has incurred an expenditure of Rs.168.00 Crores as revenue nature expenditures for the year 2014-15 under various heads. And Rs.127.81 Crores as Capital expenditures incurred at VTU's Head Office, Regional Offices and Constituent College.

4) **Advances :**

An amount of Rs.69.04 Crores are the outstanding advance as on 31-03-2014 pending for adjustment to the books of account. The advances are paid for Central valuation, Construction activities. However, action has been taken to settle these advances.

5) **Grants from the Government :**

The Karnataka State Government has released an amount of Rs.10/- Crores to the University for construction activities at Skill Development Center, Dandeli. Accordingly, VTU, Belgavi has utilizing the funds by floating the tenders for construction of building and others for training under the scheme account.

Further, Managing Director, Karnataka State Bio Fuel Development Board, (Department of Rural Development and Panchyath Raja) Bangalore has also released the grants for 2014-15 for conducting of workshop on Bio Fuels.

## SPORTS

It gives me immense pleasure to present the Annual report of the Sports and Cultural activities organized by the Department of Physical Education and Sports, Visvesvaraya Technological University, Belagavi, for the year 2014-15. The University conducts Inter-Collegiate competitions in 29 Sports disciplines and two mega events i.e. 'Athletic Meet' and 'Youth Fest' every year. We select our University teams, during the inter-collegiate tournaments for all the 29 disciplines of Sports. The selected players will be trained in the coaching camp at the university or at the affiliated colleges possessing quality sports infrastructure for 08 to 10 days (depending upon the nature of the game) before the departure for Inter-University tournament.

The Physical Education Directors of all affiliated units of University are instrumental in identifying the real talent and in building a strong team to represent VTU in competitions at the inter-university level.

I would like to throw light on major events that took place under VTU banner in Sports and Cultural arena.

### **Annual Meeting of Physical Education Director's of various colleges affiliated to VTU 2014-15:**

Annual meeting of Physical Education Directors was held at Senate Hall, VTU, Belagavi on 29<sup>th</sup> and 30<sup>th</sup> January 2015. All Physical Education Directors of VTU affiliated colleges were presents in the meeting & calendar of event – (event allotment) has been made to conduct the VTU Inter-Collegiate Sports/Games for the year 2014-15 and the VTU Handbook of Rules and Regulations of Sports and Games released and circulated to all VTU affiliated colleges.

## **VTU Inter Collegiate Sports and Games:**

**RESULT OF ATHLETIC Meet 2014 – 15  
FROM (5<sup>th</sup> to 8<sup>th</sup> NOVEMBER 2014)**

**March past result: -**

| <b><u>Position</u></b> | <b><u>Team name</u></b>  |
|------------------------|--|
| 1 <sup>st</sup>        | NMAM Institute of Technology, Nitte, Mangalore                     |
| 2 <sup>nd</sup>        | Alva's Institute of Engineering & Technology, Moodbidri, Mangalore |
| 3 <sup>rd</sup>        | Sahyadri College of Engineering & Management, Mangalore            |

**Best Athlete for Men:**

Salman Abbas, Reva Institute of Technology & Management, Bangalore - Total points = 1763

**Best Athlete for Women:**

Manisha, NMAM Institute of Technology, Mangalore - Total points = 1479

**Team Championship Men:**

**Winner:** NMAMIT NITTE, Mangalore - With 23 Points

**Runner up:** Srinivas IT, Mangalore - With 20 Points

**2<sup>nd</sup> Runner up:** Sahyadri College of Engg. Management, Mangalore - With 16 Points

**Team Championship Women:**

**Winner:-** NMAM Institute of Technology, Nitte, Mangalore - With 57 Points

**Runner up:-** Sahyadri College of Engineering & Management, Mangalore - With 24 Points

**2<sup>nd</sup> Runner up:-** Alva's Institute of Engineering & Technology, Moodbidri - With 22 Points

**Over all Championship Trophy:**

NMAM Institute of Technology, Nitte, Mangalore - with 80 Points

➤ **In this 17<sup>th</sup> Athletic Meet 6 new meet records are created in newly prepared play field**

**VTU Inter Collegiate Tennis (Men and Women) Tournament 2014-15:**

VTU Inter Collegiate Rest of Bangalore Zone & Inter Zone Tennis Men & Single Zone Women and Selection trails Men & Women Tournament held at VTU Campus, Belagavi on 6th to 10th May 2014 in this tournament about 16 Men and 6 Women teams are participated from various colleges affiliated to VTU, Belagavi.

The Chief Guest for this inaugural function Mr. Preetham Chougale, Inter National Body Builder, Mr. India and Eklavya Awardee and Mr. Umesh G. Kalghatgi International Swimming Coach "Specialized coach for Disabled" for valedictory function and Dr.H. Maheshappa Hon'ble Vice Chancellor presides

over both the function and Dr. K. E. Prakash, Registrar, VTU, Belagavi welcomed the guest and Dr. A. G. Bujurke, Director of Physical Education, thanks to the participants and guest and Dr. H. G. Shekharappa, Registrar (Evaluation), VTU, was present on the occasion.

### **Result of Inter Collegiate Tennis (Men and Women) Tournament;**

#### **Rest of Bangalore Zone Tennis Men:**

**I place – NIE, Mysore**

**II place – NIE IT, Mysore**

#### **Inter Zone Tennis Men:**

**I place – NIE, Mysore**

**II place – BMSCE, Bangalore**

#### **Single Zone Tennis Women:**

**I place – BNMIT, Bang**

**II place – MSRIT, Bangalore**

### **15<sup>th</sup> VTU Inter Collegiate Youth Festival -2014-15 held from 28<sup>th</sup> to 31<sup>st</sup> March 2015 at VTU Campus, Belagavi**

15<sup>th</sup> VTU Inter Collegiate Youth Festival for the year 2014-15 was organized First time in this beautiful campus of the University. In this Mega Fest a total of 102 colleges have participated and 2734 Students including 1668 Boys and 1066 Girls have participated in this meet. A total of 75 Judges, 120 Officials and 200+ supporting staff have devoted their efforts for this meet.

The meet spread over 4 days had a total 25 Events which were conducted on 7 beautiful created Stages are 1) Sir. M. Visvesvaraya Vedike 2) Pt. Bhimsen Joshi Vedike 3) Dr. Rajkumar Vedike 4) Dr. Gangubai Hangal Vedike 5) Dr. B. R. Ambedkar Vedike 6) R. K. Laxman Vedike and each event had a huge number of participants and hence they were held from 8.00 AM to beyond midnight in many cases. We were privileged to have excellent set of judges for all events who were real experts in their fields. We had made elaborate arrangements for food and lodging for all 2734 students and guests.

Further, the Student provided the showcase cutting-edge programs and contents provided a plat form to the budding engineering students to improve engineering education and to go to careers over many stalls. Every night there were Cultural programmes for four days to Participants, Officials and others during the Fest.

**First Day** On 28<sup>th</sup> March 2015 the inaugural function the Chief Guests are Hon'ble Minister of Higher Education and Tourism Govt. of Karnataka Sri. R. V. Deshapande and Special Invitee Sri

Sambaji Patil, MLA Belagavi South and President Hon'ble Vice chancellor, Dr. H. Maheshappa, VTU, Belagavi attended the inaugural function and Dr. K. E. Prakash, Registrar, VTU, Belgaum welcome the gathering and Registrar Evaluation Dr. H. G. Shekarappa was present and Dr. A. G. Bujurke DPE & Organising Secretary was briefed about the fest.

The grand attractions were the evening programmes from top Kannada filmy artists Kum. Harshika Poonacha was presented cultural programme and entertained the audience and participants.

**Second Day** on 29<sup>th</sup> March 2015 for Prize distribution function the Chief Guests are Hon'ble Minister Labour of Govt. of Karnataka Sri P. T. Parmeshwar Naik, and MLA's Sri Sanjay Patil and Hon'ble Vice chancellor, Dr. H. Maheshappa, VTU, Belagavi attended the inaugural function and Dr. K. E. Prakash, Registrar, VTU, Belgaum were present on the occasion and prizes were given to Second & Third Place winner.

The great musician Dr. Hamslekha was presented cultural programme and entertained the participants.

**Third Day** on 30<sup>th</sup> March 2015 for Prize distribution function the Chief Guests are Hon'ble Minister Social Welfare (excluding Minority Welfare) of Govt. of Karnataka Sri H. Anjaneya, and MLA's Sri Firoz Sait & Sri. Anupam Agrawal IPS, DCP of Belagavi and Dr. H. Maheshappa, VTU, Belagavi attended the function and Dr. K. E. Prakash, Registrar, VTU, Belgaum Dr. H. G. Shekarappa and Dr. A. G. Bujurke DPE & Organising Secretary were present and distributed the prizes to Second & Third place winner.

The Sri. Gangavathi Pranesh has presented the "Hassai Sanjay" shows and entertained the audience.

**Last Day** On 31<sup>st</sup> March 2015 the valedictory function chief guests are Sri. Satish Jarkiholi, Hon'ble Minister for Small scale Industries & Belgaum Dist. In-Charge Minister, Government of Karnataka, Special Invitees are Sri. D. K. Shivakumar Hon'ble Minister for Energy Government of Karnataka and Hon'ble Sri. Suresh C. Angadi, Member of Parliament of Belagavi and Sri. N. Jayaram Deputy Commissioner of Belagavi and Dr. H. Maheshappa, Hon'ble Vice chancellor VTU, Belgaum presided over the valedictory function of the Youth Fest 2014-15. And Dr. K. E. Prakash, Registrar, VTU, Belgaum has welcome the gathering. Dr. H. G. Shekarappa Registrar Evl. were also present on the occasion and Dr. A. G. Bujurke DPE & Organising Secretary presented the report of Youth Festival 2014-15. All the staff, Officials and students of the VTU, Belgaum has worked very hard to make this mega event a grand success, and it is a model to other colleges.

#### **Result of Youth Festival 2014 – 15**

| Position | Name of the Champion College | Total Points |
|----------|------------------------------|--------------|
| I        | MSRIT, Bangalore             | 40           |
| II       | BMSCE, Bangalore             | 27           |
| III      | BNMIT, Bangalore             | 25           |
| IV       | ALVA'S IT, Mangalore         | 22           |

## **VTU Sports achievers @ Inter University, National and International Level:**

VTU Swimmer Mr. Arvind of RVCE, Bengaluru is selected for Indian University Swimming (M&W) championship for participation in **World University Games to be held at Guangzhou, Korea from 03.07.2015 to 14.07.2015**. Already coaching camp is started from 1<sup>st</sup> to 30<sup>th</sup> June 2015 at Panjab University, Chandigarh.

### **⚔ Fencing International World Championship at St. Maur, France**

Our Hon'ble Vice- Chancellor has provided Rs.1,50,000/- financial assistance to Miss. Suhashini A.V. Bonafide student of Research Centre BMS College of Engineering Bangalore to participate in Fencing International World Championship at St. Maur, France from 6th November 2014 and Grand Prix Competition at Turin, Italy Europe from 25th to 26th November 2014.

### **All India Inter University Aquatic Men & Women Championship - 2014-15 Organized by: Jain University, Bangalore from 26th to 30th October 2014**

- ⚔ VTU Secured Winner Men Championship – with 65 Point
- ⚔ VTU Secured Runner Women Diving Championship
- ⚔ VTU Secured 02<sup>nd</sup> Runner-up Overall Championship - with 97 Point

#### **Individual Medals Winners**

1. Arvind M. RVCE, Bangalore Secured 6 Gold, 01 Silver, 02 Bronze and Individual Championship (Best Swimmer Award) - With 45 Point
2. Divya Guruswamy, BMSCE, Bangalore Secured 3 Bronze Medals
3. Nami Divya Theja, PESIT, Bangalore Secured 01 Gold Medal and 01 Silver Medal
4. Supreeth S. PESIT, Bangalore secured 01 Gold Medal
5. Saurabh Vernekar S. RVCE, Bangalore secured 01 Gold Medal
6. Pruthvi K.S. DSCE, Bangalore secured 01 Silver and 01 Bronze Medals
7. S.V. Sumukh GSKSJIT, Bangalore secured 01 Silver and 01 Bronze Medals
8. Akash Rohit G MSRIT, Bangalore secured 01 Silver and 01 Bronze Medals
9. VTU Men Relay Team Secured 01 Gold, 01 Silver and 01 Bronze Medals

⚔ VTU Yoga team participated in **All India Inter University Yoga Men & Women Championship** held at Kurukshetra University, Kurukshetra from 17<sup>th</sup> to 20<sup>th</sup> March 2015 Mr. Rudresh C. L. of NIE Mysore **won the All round second Best Yogi**.

⚔ VTU Table Tennis team participated in South Zone Inter University **Table Tennis Men & Women tournament** held at SRM University, Chennai (TN) from 30<sup>th</sup> September to 3<sup>rd</sup> October 2014 in this tournament MEN team **won the 3<sup>rd</sup> place** and qualified for All India.

⚔ VTU Table Tennis team participated in All India Inter University **Table Tennis Men & Women tournament** held at SRM University, Chennai (TN) from 4<sup>th</sup> to 6<sup>th</sup> October 2014 in this tournament MEN team **won the 4<sup>th</sup> place**.

⚔ VTU Taekwondo team participated in All India Inter University **Taekwondo Men & Women tournament** held at Anna University, Chennai (TN) from 13<sup>th</sup> to 17<sup>th</sup> March 2015, Miss Thejaswini K. of BMSIT Bangalore **won the Gold Medal**.

With this brief report, on behalf of the entire team of Department of Physical Education and sports and on my personal behalf, I express heartfelt gratitude toward all, who directly or indirectly extended co-operation, guidance and helped to make the 2014-15 sports events a grand success and taking the VTU Sports to the greater heights and also expect the same in the future.

### ENGINEERING SECTION

Details of Developmental activities of Visvesvaraya Technological University, “Jnana Sangama”, Belagavi, Regional Centres and Extension Centres are as under.

1. **VTU Regional Centre, Sriganad Kaval, Nagarbhavi, Bengaluru:-** The Development of VTU Regional Centre, Bengaluru works of Rs.30.00 Crores is completed and office is functioning in the campus. And required Interior works, electrical and air-conditioning works are also completed. The Campus is inaugurated by Sri Siddaramaiah, Hon’ble Chief Minister, Government of Karnataka on 29-04-2015.
2. **VTU Regional Centre, Henchy-Satagalli, MUDA Layout, Ambedkar Nagar, Mysore:-** The Construction of Phase-II works such as Directors Bungalow, Quarters, Extension of Hostel Buildings, Convention Building, Mess & Gym Building, Interior works, Site Developmental works of Rs.84.00 Crores are in progress. The Construction of Compound Wall at 34 Acres of land at Choranhalli Village, Mysuru at a cost of Rs.1.00 Crore is completed.
3. **VTU Regional Centre, Rajapur Kushnoor Road, Gulbarga:-** Regional Office & P.G. Courses have started in the campus. The Interior works, Site Developmental works and water body and Electrical works including Audio Vedio system works of Rs. 4.5Crore are completed. And campus is inaugurated by Sri Siddaramaiah, Hon’ble Chief Minister, Government of Karnataka on 28-11-2014.
4. **VTU Extension/Institute of Advanced Technology Centre, Muddenhalli, Chikkaballapur:-** In the allotted of 200 Acres of land at Muddenhalli, Chikkaballapur District, for establishment of VTU Institute of Advanced Technology.

The work of cutting, leveling and blasting of hillock of Rs.3.10 Crores is completed. The Phase-I Developmental works P.G.Blocks Dinningng, Boy’s Hostel Girl’s Hostel amounting to Rs.78.00 Crores is completed. The work of Construction of Phase-II Building at VIAT., Muddenahalli, Chikkaballapur Dist of Rs.124.04 P.G. Admin Guest House Hostels, sanitary Water supply & Electricity works are in progress.

The formation of Roads at VTU Institute of Advance Technology Campus at Muddenahalli of Rs.9.56 Crores is entrusted to the contractor and work is in progress. The landscaping and site development works will be takenup shortly.

5. **UBDTCE., Davangere:-** The Construction of Class Room Complex at UBDT., College of Engineering, Davangere at Rs.22.17 Crores is in progress. And the Construction of Auditorim Building at Davangere of Rs.32.69 Crores is in progress.
6. **VTU National Academy for Skill Development, Dandeli:-** The construction of Phase-I Buildings VTU National Academy for Skill Development, Dandeli of Rs.10.00 Crore is in progress. In addition to 10 Acres of land allotted Govt. has sanctioned 16 Acres of land for Development of VTU National Academy for Skill Development, Dandeli.

7. **Visvesvaraya Technological University, “Jnana Sangama”, Belagavi:-**

The work of Construction of South End Block of Administrative Building at VTU, “Jnana Sangama”, Belagavi of Rs.21.89 Crores is in progress and the work of Construction of Boys Hostel is completed and the work of Construction of Girls Hostel of P.G. Block, (Research Centre) of Rs 10.00 Crore is in progress.

The work of Construction of Meditation Centre at VTU, “Jnana Sangama”, Belagavi of Rs.70.61 Lakhs is in progress.

8. **Construction of VTU Constituent Engineering Colleges:-** As per the orders of the the Govt. of Karnataka, the following Govt. Engineering Colleges are transferred to VTU, Belagavi. The work of four Engineering college is entrusted to M/s. Rite for Total Management Consultancy. And the work of Construction of Govt. Engineering Colleges at the following places are in progress.

1. Govt. Engineering College, Hoovinhadagali 70% work is completed.
2. Govt. Engineering College, Gangavati 60% work is completed.
3. Govt. Engineering College, Raichur 60% work is completed.
4. Govt. Engineering College, Karwar 50% work is completed.

## **LIBRARY**

### **1. 1. Introduction**

The VTU library is a centre for excellent collection of science and technology information resources. It has a mission to develop science and technological information resources hub to establish value based and need based quality resources. With a view to generate good research activities in academic environment, in this direction VTU library is playing significant role in facilitating creation and dissemination of knowledge to societal needs. However, the VTU main library system embraces Central Libraries of three regional PG study centers and constituent college libraries that collectively support the teaching, learning, research and extension programmes of the University.

The VTU library is promoting its all in house operations, fully computerized using the (Integrated Library Management Software) ILMS Package which also provides web-based enabled access to the online catalogue of library. The present library collection has increased to more than a lakh volumes of text and reference documents comprising of books, theses, journals project reports and compact discs in the fields of Engineering, Science & Technology, Humanities, Literature, Philosophy and Management. Further in addition to it's subscribed print journals and also promote the use of electronic database and full text access to e-Resources the library has established its dream project VTU Consortium.

### **2. Library Services**

The VTU Library offers a wide selection of resources, including hard copy and online services through the web portal for students, faculty and other researchers. The library team offers information services, including literature searches, tracing and obtaining materials and advising on the availability of data sources and conditions of access.

#### **Services:**

- Reference
- Lending service
- Current awareness service
- Interlibrary loan service

- Readers' guidance service
- New arrivals information service
- e-resources facility
- Internet facility
- Referral Service
- News Paper Clipping Service
- Selective Dissemination Service

### 3. Collection and Development

Collection and development of resources is one of the main functions of the library that supports academic and research work of the students, faculty, staff and other users. Library collection comprising of books, journals, theses, reports, standards, pamphlets and other reading material in science, engineering, technology, humanities, social sciences and management is considered as one of the best in the state and is its greatest asset.

The total collection of library as on March 2015 stands as follows:

| Sl. No. | Descriptions                   | Total as on 31 <sup>st</sup> March 2014 | Added during 2014-15 | Total as on 31 <sup>st</sup> March 2015 |
|---------|--------------------------------|---|----------------------|---|
| 1.      | Books (Reference + Text)       | 93359                                   | 7946                 | 101305*                                 |
| 2.      | Non-Book materials             | 3081                                    | 420                  | 3501                                    |
| 3.      | Project reports (M.Tech + MBA) | 4378                                    | 256                  | 4634                                    |
| 4.      | Theses                         | 396                                     | 274                  | 670                                     |
| 5.      | Journals Bound volumes         | 372                                     | --                   | 372                                     |
| 6.      | Print journals                 | 185                                     | --                   | 10                                      |
| 7.      | Collection of e-journals       |   |                      | 5623                                    |
| 8.      | Subject Databases              |   |                      | 680100                                  |

\* Total number of books including all regional centers of VTU (Bangalore, Mysore and Gulbarga).

### 4. VTU Consortium

The VTU Consortium 2014, aims to fill the vacuum generated by the changed policy of AICTE & INDEST Consortium. The VTU Consortium attracts competitive rates of subscriptions, benefit of cap on the annual increase, provides access to high-quality and scholarly e-resources and to develop an information rich society in VTU and its affiliated as well as autonomous institutions in the State of Karnataka.

#### 4.1 Aims and Objectives of VTU Consortium:

- To Provide access to high-quality and scholarly electronic resources to the member institutions evolving competitive pricing models at most favorable terms and conditions;
- To Promote rapid and efficient access to scholarly content to the users;
- To Promote interaction and inter-library cooperation amongst the participating institutions;
- To Impart training to the students, research scholars, faculty members and librarians of the institutions to use electronic resources efficiently;

- To Evaluate the usage of the subscribed resources from time to time and to identify new resources that are required to be subscribed under the programme;
- To Bring qualitative change in teaching, learning and research with an aim to meet the ever growing challenges of globalization of higher education;
- To Increase the research productivity of the institutions both in terms of quality and quantity of publications; and
- To Extend the benefit of Consortium to Associate Members.

#### **4.2 Benefits**

The consortia-based subscription to e-resources is a viable solution for increasing the access to electronic resources across Technical Institutions at competitive rates of subscription. Major benefits of The Consortium are as follows:

- VTU Consortium acts as a single-window service for Technical Institutions with their diverse research and academic interests;
- VTU Consortium, with its collective strength of participating institutions, attracts competitive rates of subscription, benefit of cap on the annual increase with most favorable terms of agreement for a wider range of e-resources;
- Users would get access to material previously not subscribed to, including back files;
- VTU Consortium is expected to trigger remarkable increase in sharing of both print and electronic resources amongst participating library;
- VTU Consortium has been opened-up for all other Technical Institutions Polytechnics through its “Associate Membership Programme”. Private institutions and other institutions can join the VTU Consortium and get the benefit of not only competitive rates of subscription but also the favourable terms and conditions;
- Since the subscribed resources are accessible online in electronic format, the beneficiary institutions have less pressure on space requirement for storing and managing print-based library resources. Moreover, all problems associated with print media such as their wear and tear, location, shelving, binding, organizing, etc. are not an issue for electronic resources; and
- The research productivity of beneficiary institutions is expected to improve with increased access to international databases and full-text resources.

VTU Consortium is considering a discovery solution for the AICTE mandatory requirement of e-resources for member as well as for the other member institutions in Karnataka, (ii) establishment of state coalition of all library consortia to have a common e-resource policy for Karnataka, (iii) frame an archival policy of the e-resources of consortia as well as the individual library of the state, (iv) negotiate the eBooks/journals for the member Institutions through consortia, (v) setting-up mirror servers, local hosting and (vi) to obtain national licenses for important e-resources with access spread out to as many educational institutions as required. Some of the issues like budget management, catalogs – Next Gen, catalogs union, digital initiatives, licensing - new, licensing renegotiations, inter library loan, open access, print being collections -cooperative collection development, print collections- shared storage, research projects, training, e-book purchase and other priorities are under constant discussion among the member institutes and other consortia.

### 4.3 List of E-Resources covered in 2015

| Sl. No. | E-Resources                        | Subject Coverage  | Resources  | No. of E-Resources  |
|---------|------------------------------------|---|--|---|

\* Complementary Access from IEEE

#### 4.4 Membership to VTU Consortium

The Consortium, being an open-ended proposition, invites AICTE approved and other affiliated institutions to join hands with the leading engineering and technological institutions in Karnataka and shares the benefits, it offers in terms of lower subscription rates and better terms of agreement with the publishers, the membership with region wise is as follows:

| VTU Consortia enrollment         | Regions    | Year wise enrollment of members |            |
|----------------------------------|------------|---------------------------------|------------|
|                                  |            | 2014                            | 2015       |
| VTU affiliated Colleges enrolled | Belagavi   | 24                              | 25         |
|                                  | Bengaluru  | 67                              | 70         |
|                                  | Mysuru     | 35                              | 36         |
|                                  | Kalaburagi | 9                               | 10         |
| <b>Total</b>                     |            | <b>135</b>                      | <b>141</b> |

#### 4.5 Recent Initiatives of VTU Consortium

- Operate Consortium on Student Fees Model: It has been decided to collect fees from the students resulting to benefit them with the access to the scholarly information;
- Consortium will negotiate for access to all Engineering Colleges with the Publishers: This will enable the consortium the gain more resources at less cost;
- Preparing a statute for establishing VTU Consortium as an independent unit under VTU;
- User Awareness Training Programs at College Level, Regional Level and State Level with Workshops, Seminars and Conferences in collaboration with respective Publishers
- Best User Awards / Best College Awards / Best Librarian Awards will be instituted and awarded during Annual Conference of the Consortium.

#### 4.6 Future Programs of VTU-Consortium

- Expand the services of Consortium to all the colleges from 2016
- Presently access to IEEE, Springer, T & F and EBCO e-Resources are being extended to all the colleges. All other e-Resources are also extending to all the colleges in due course.
- Strengthen the Academic Bandwidth of Teachers and Research Scholars to enable the research output competing with world class institutions.
- Buildup a strong and continuous User Awareness campaigns/ Workshops across the colleges to enable the remote user to understand the importance of the scholarly knowledge contained in the original e-Resources other than the Google.
- VTU Consortium Desires to transform VTU from a Class Room Centric University into a Research and Knowledge Centric University by disseminating quality knowledge to make its products to be among the Global Best.

#### 5. Users Education, Conference, Seminars

The VTU Consortium do organizes regularly user awareness program in collaboration with publishers with aiming to create awareness among the user community to effective use of scholarly e-resources. The IEEE explore awareness workshop was organized in collaboration with IEEE on 16<sup>th</sup> April 2015 at VTU head quarter 'Jnana Sangama', Belagavi for the benefit of teachers, students, research scholars and information professionals.

The workshop has been inaugurated by the esteemed Registrar Dr. K. E. Prakash and delivers the presidential address on the occasion. The resource person Dr. T. Srinivas, faculty member of IISc Bengaluru has addressed to the participants on the topic “Technical Writing and How to Publish with IEEE” and also explained how to find the most relevant technical content in the IEEE *Xplore* digital library. Another resource person Mr. Dhanu Pattanashetti, IEEE Client Services Program Manager, Bengaluru, has demonstrated how faculty members and students may utilize IEEE Xplore to access scholarly latest content and which methods to adopt to keep current content alerts and how best one can (information professional) adapt to promote the best use of scholarly resources like IEEE’s IEL-Online to their end users. The sessions were quite interactive and gave a good platform for budding researchers and students. More than 200 participants were attended the workshop and organizers have received overwhelming response from the participants.

**Dr. K. E. Prakash and other dignitaries inaugurated the workshop by lighting the lamp**

### More than 200 participants attended the workshop

### Interactive sessions with resource persons

#### 6. Publications:

1. Hadimani N., Mulla, K.R & Senthil Kumar, N. (2015). Bibliometric Analysis of Cancer Research Publications in India during 2003-2013. *International Journal of Information Sources and Services*, Vol. 2 No.3, pp.83-94
2. Hadimani, N., Mulla, K.R and Senthil Kumar, N. (2015). A Bibliometric Analysis of Research Publications of Indian Institute of Science Education and Research, Thiruvananthapuram. ***Journal of Advancements in Library Sciences*, Vol. 2, No. 1, pp.28-35.**
3. Kumbar B.S & Mulla, K.R. (2014). Application of E-Commerce in Library Activities. In *Proceedings of National Conference on E-Commerce: Opportunities and Challenges*, Organised by BET's Global Business held on 25<sup>th</sup> and 26<sup>th</sup> April 2014.

#### 8. Future Plan:

The future plan of our library will have, present collection will be increased to meet the user expectations. In addition to eBooks, educational CDs, video films, audiovisual materials will be added. The Network of VTU Libraries will also be increased including adoption of RFID (Radio Frequency Identification) electric gadgets to alarum the modest security for physical information and includes the following.

1. Establishment of *Institutional Repository*
2. Establishment of Engineering College Library Network in Karnataka
3. Implementation of RFID
4. Audio - Visual facility
5. To develop and establish Visually Impaired information resources center
6. Procurement of Science and Technology Databases (EI-Compendex, Scopus, Web of Science)
7. Establishment of Multimedia (intranet CD-Net)
8. To bring out Handbook of University Library
9. Establishment of competitive exam resource center

### 10. Building online portal for VTU Consortium

In order for the library to remain relevant and to attract large number of users, it has been planned to renovate the existing building, reorganize the resources and workflows and to create a variety of spaces and ambiance which our users will find extremely attractive and conducive for their work. The renovated library building will reflect current trends in ICT and the changing needs of library staff, students and faculty in their use of the library resources and services.

#### PG Centre

#### Admission for various courses for the academic year 2014-15
