## CIRCULAR

**Sub: Providing certain details in respect of QPDS activity - reg.**

Some of the colleges are informing that, they have changed the IP address used for the purpose of online Question paper delivery System. Hence, the Principals of affiliated and constituent engineering colleges are requested to furnish the following information **in case if there is any change in IP address or change of Computer or both:**

1. A letter from the service provider confirming that the IP address (submitted to the university for the purpose of VPN) is issued to the Principal of respective institution. Such letter issued by the service provider has to be scanned and sent to [vpn@vtu.ac.in](mailto:vpn@vtu.ac.in)
2. The college has to provide MAC Id of the computer and the procedure for the same is as follows:
  - Visit [prexam.vtu.ac.in/prexam.blr.vtu.ac.in](http://prexam.vtu.ac.in/prexam.blr.vtu.ac.in), login using principal login credentials. Download the application to find Macid of the machines which is to be used for QPDS.
  - Open link to register MACID, copy the macid displayed by running the downloaded application (vtu.exe) and paste the same in the form and submit. Up to three different MACID's can be registered.

Note: The application is available from 04.08.2020.

The contents of this circular must be brought to the notice of all the concerned.
