

About VTU:

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 20 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. The University having 218 affiliated colleges, 1 constituent college and 17 Autonomous colleges with undergraduate courses in 35 disciplines, PG program in 94 disciplines and Ph.D. & M.Sc.(Engg.) with research programs in 592 departments, over 4 lakh Engineering Students study in the various institutes affiliated to the University. The University is making steady progress in developing and providing best technical environment for education and will continue to serve the nation in coming years.

About TEQIP:

The Ministry of Human Resource Development launched in December, 2002 the “**Technical Education Quality Improvement Programme (TEQIP) of Government of India**” aims to upscale and support ongoing efforts in improving quality of technical education and enhancing existing capacities of the institutions to become dynamic, demand-driven, quality conscious, efficient and forward looking, responsive to rapid economic and technological developments occurring both at national and international levels.

The TEQIP objectives:

- Improving quality and equity in engineering institutions in focus states viz. 7 Low Income States (LIS), eight states in the North-East of India, three Hill states viz. Himachal Pradesh, Jammu & Kashmir, Uttarakhand and Andaman and Nicobar Islands (a Union Territory (UT))
- Twinning Arrangements to Build Capacity and Improve Performance of institutions and ATUs participating in focus states.
- As a twinning partner VTU is conducting various activities to improve the quality of education in affiliated colleges and mentee university partners namely Aryabhatta Knowledge University, Patna, Bihar and Biju Patnaik University of Technology, Rourkela, Odisha.
