

SUCHITRA N
 SECURED 1ST RANK IN VTU
 AND GRABBED 9 GOLD MEDALS

 **23rd & 24th
 JULY, 2020**
 **10:30 AM to
 12:00 PM(IST)**

Co-ordinators:
 Prof. Bharath H M,
 Prof. Raghavendra H S,
 Prof. Umesh H A.

Webinar Convener:
 Dr. RAHUL J PATIL
 Head of the Department

Webinar Chair:
 Dr. MANJUNATHA TS
 Principal

ARKA EDUCATIONAL AND CULTURAL TRUST(R)
JAIN INSTITUTE OF TECHNOLOGY, DAVANGERE
 (A UNIT OF JAIN GROUP OF INSTITUTIONS, BENGALURU)
 (APPROVED BY AICTE, NEW DELHI and AFFILIATED TO VTU, BELAGAVI)

INTERNATIONAL WEBINAR ON " STRUCTURAL HEALTH MONITORING & CONCEPTS OF CONCRETE TECHNOLOGY"

RESOURCE PERSONS:
 1. DR. SAVITHA SRINIVASAN
 FROM AUSTIN, USA.
 2. BRIJESH PRUTHVIKUMAR
 FROM MUSCAT, OMAN

ORGANIZED BY:
 DEPARTMENT OF CIVIL ENGINEERING

RESOURCE PERSON (DAY 1):

**Name: Dr. Savitha Srinivasan
from Austin.**

**Topic: "Structural Health Monitoring -
An Overview" on 23rd July.**

Profile:

Savitha Srinivasan is a recent Ph.D. Graduate from The University of Texas at Austin in Infrastructure and Materials Engineering. She Did her Master's in Construction Technology from BMS College of Engineering, Bangalore and Bachelor's in Civil Engineering from MS Ramaiah Institute of Technology, Bangalore. Her research interests are building materials, concrete strength, durability and service life, structural health monitoring, and sustainable design and development. She has also worked as Teaching Assistant in University of Texas at Austin.

ABOUT DEPARTMENT:

The Civil Engineering Department was started in the year 2011 and offers U.G. Programme with AICTE approved intake of 120+60. The department aims to provide civil engineers of high caliber who can meet the dynamic needs of the society. The department offers a conducive environment for learning and overall development. The department also promotes student involvement in constructive co-curricular activities. Through continuous improvement process the department aims to be a pioneer at the frontier of knowledge and innovation in civil engineering.

RESOURCE PERSON (DAY 2):

**Name: Brijesh Pruthvikumar
Manager - Operations &
Technical, Lead Auditor,
Galfar Aspire Readymix LLC,
Muscat, OMAN.**

**Topic: "Concepts of Concrete
Technology" on 24th July.**

Profile:

Nearly two decades of association with leading companies in the field of Readymix Concrete and Construction Chemicals has crafted him into a professional with sound knowledge on Concrete Technology.

CTME - NRMCA and DNV-GL certification as "Concrete Technologist" and "Lead Auditor" respectively reinforces his expertise in technical and system procedures of concrete ready-mix industry.
