**ABOUT SEMINAR**

The University Department of Mechanical Engineering at VTU Kalaburagi and MYCrave Consultancy and Services, Vadodara are jointly organizing One Day Online National Seminar on Intellectual Property Rights and its implications in Higher Education on 11/08/2020.

**ABOUT VTU BELAGAVI**

Visvesvaraya Technological University (VTU) is a premier technological university of India and is a public state university headquartered in Belagavi established by the State Government of Karnataka through VTU act 1994. It has 219 affiliated engineering colleges, one constituent college and 17 autonomous colleges under its jurisdiction. It also conducts B.E., M.Tech. and PhD degree programmes in its four campuses in Belagavi, Kalaburagi, Mysuru and Muddenahalli. University is recognized by UGC, India and its programmes are recognised by AICTE. It has a very good reputation in India and abroad due to its good quality technical education. It has obtained 55<sup>th</sup> Rank in Engineering and 80<sup>th</sup> Rank in University category in recently announced NIRF 2020 (National Institutional Ranking Framework, India Ranking 2020). VTU is the first university in the country to take Innovative steps in the examination reforms by adopting indigenous Digital Evaluation System software. The University has established various Centers of Excellence across Karnataka to create world class infrastructure that can be shared by researchers, innovators and industry people.

**ABOUT DEPT. OF MECHANICAL ENGG.**

The University Department of Mechanical Engineering was established in the year 2009. The department has highly qualified dedicated faculties who imbibe and nurture the students with all practical skills apart from the teaching-learning process. It conducts five M.Tech. degree programmes namely in Computer Aided Engineering, Industrial Automation Engg., Machine Design, Product Design & Manufacturing, Thermal Power Engg. And Ph.D. degree programme in Mechanical Engineering. The Department of Mechanical Engineering is starting two new, *unique and special*, B.E. degree programmes namely Robotics & Automation and Mechanical & Smart Manufacturing from the academic year 2020-21. University supports full time research scholars in the Department through Jnanayaana & NDF schemes.

**e-CERTIFICATE**

e-certificate will be provided to all the participants who attend sessions regularly.

**REGISTRATION FEES**

The FDP is free of cost and costs your time.

**WHO CAN ATTEND**

This FDP is designed for faculty members and research scholars in Mechanical Engg. Sciences and allied streams.
