Recruitment Partner

## Company Profile:

**About toppr:** Toppr develops a test preparation platform designed to support students preparing for various entrance exams in India. It offers learning programs and focuses on school curriculum and test preparation for engineering and medical entrance exams. The Company's online platform gives access to comprehensive practice and test package which helps students to prepare for IIT JEE, PMT, school boards, and other competitive exams in India.

<https://www.toppr.com/>

**About WhiteHat Jr:** Developer of an online live teaching platform designed to connect kids with coding. The company's platform teaches fundamentals of coding, logic, structure, sequence and algorithmic thinking, enabling kids to generate creative outcomes like websites, animations and application designing.

## **Recruitment Partner: TechRecru**

People are a company's greatest asset and we help companies recruit great people. We've helped established companies grow their teams, helped companies launch and grow in various cities and also helped startups hire their first few employees. We always aim to build diverse teams, because diverse teams perform better. We specialise in hiring Gig Economy workers and have hired teachers for urban clap, part time teachers for government schools. Whether you're looking to hire a single person or a large team, drop us a message, we'd love to hear from you.
