No. F. 1-8/2020 (SWAYAM)

Date:-03.09.2020

Public Notice

“Expression of Interest”

This with reference to our earlier Public Notice No. F. 1-8/2020 (UG Course Mapping/SWAYAM), Dated 24.08.2020, wherein UGC invited “**Expression of Interest**” for development of high quality MOOCs in 171 UG MOOCs courses comparable to international standards in six subjects of Humanities and Social Science viz. History, Political Science, Commerce, Sociology, Public Administration and Anthropology from Higher Education Institutions and academicians to in these identified areas.

SWAYAM, India’s National MOOCs Platform provides an opportunity to faculty members in HEIs to develop their online teaching skills and gives them an opportunity to reach out to a massive number of learners across the world. Further, development of MOOCs for SWAYAM will also help faculty in improving their academic score for career progression, as per the UGC Regulations on minimum qualifications for appointment of teachers and other academic staff in universities and colleges and measures for the maintenance of standards in higher education, 2018.

In this regard, we once again request eligible faculty to be part of this important Government endeavour by submitting proposals at <http://swayam.inflibnet.ac.in/>
