Bangalore Chamber of Industry and Commerce (BCIC) in association with **Centralised Placement Cell (CPC)**, **Visvesvaraya Technological University (VTU)**, are organising an Online Hackathon (AccelATHON 2.0 Online) to be held between 12th November, 2020 to 30th November, 2020. The theme of this Hackathon is **“Social Innovation using Technology”**.

The intent is to promote excellence in Innovation amongst the Engineering/Graduation Students looking at various Social Challenges that our country faces.

AccelATHON 1.0 had participation of ~400 students in ~80 different teams from across various colleges in Karnataka. It churned some wonderful concepts and solutions that are also detailed in the attached paper.

We invite you all and your fellow students in your and other colleges to take part in the wonderful contest.

Key Dates:

12th Nov (Thursday) – Hackathon Announcement and start.
12th - 23rd Nov – Students work on solution.
24th Nov – 27th Nov – BCIC evaluation and shortlisting of top entries.
28th – 29th Nov – Shortlisted teams' presentations – online.
30th Nov – Awards announcement.

Problem statements will be announced on the 12th November - the first day of AccelATHON.
The Broad theme is to create solutions to Social Challenges in our Country/State using Technology.

The Hackathon will be made available to students of any branch of engineering and from any year/semester and from any other stream of graduation.

There will be a registration fee of ₹400 per team. Each team can comprise of a total of a maximum of 4-5 participants.

Prizes

A total cash prize of Rs. 1 lac will be given out to 6 top entries

1st prize of Rs. 30,000,

2x2nd prize of Rs. 20,000 each

3x3rd prize of Rs.10,000 each

Team Size: 2-5 Students.

Awards: There will be a cash prize to top 6 winners.
