## CIRCULAR

**Subject:** Change of subject code for Mechatronics Undergraduate Programme regarding..

**Reference:** Approval of Hon'ble Vice-Chancellor dated 21.12.2020

The subject title "**Technological Innovation Management and Entrepreneurship**" having code **18ES51** of the Mechatronics and Electronics and Communication Engineering programme are the same. However, the syllabus of the Mechatronics programme for the above-mentioned subject is different. This is causing the problem in faculty and subject mapping programme wise. As per the opinion of Chairperson BOS in Mechanical Engineering and approval from Hon'ble Vice-Chancellor dated 21.12.2020, the subject code is changed from **18ES51** to **18MT51** for the Mechatronic UG programme.

All the Principals of Engineering colleges who are offering the Mechatronics UG programme in their colleges are hereby informed to note the same and bring to the notice of the concerned.
