CIRCULAR

Subject: conduction of EXTENSIVE SURVEY as a part of B.E., Civil Engineering programme regarding..

Reference:

1. The opinion of Chairperson BOS in Civil Engineering dated 17.01.2021
2. Hon'ble Vice-Chancellor's approval dated 20.01.2021

Concerning the subject cited above, the following points are informed to note in connection with EXTENSIVE SURVEY (18CVEP68).

1. The extensive survey project preparation training involves investigation, collection of data is to be conducted between the 5th and 6th semester.
2. The students should proceed to an extensive survey as soon as they complete their theory examinations.
3. The actual duration for the extensive survey is for TWO weeks as per the syllabus, keeping in mind the pandemic situation the extensive survey duration is truncated to 10days.
4. It is not advisable to go for camp wherein students stay completely in the camp area for the whole duration. The colleges may select nearby sites and carry out an extensive survey, wherein the students gather in the morning at the specified site and disperse in the evening. This is just to avoid the clustering of the students in the late hours.
5. The students must be advised to wear mask and face shields during their stay on-site and to follow SoPs in connection to COVID-19.

The principals are informed to bring this to the notice of all the concerned and advise the students accordingly.
