BEST PRACTICES

- 1. Go Green: VTU takes number of initiative to keep campus green.It has developed lakes,ponds and seven gardens. Water conservation and drip irrigation facility is also available. Plastic free campus and paperless office is our aim
- 2. Digital Examination system: Entire examination process is fully digitalized. The unique feature of this practice is question paper delivery thirty minutes before the commencement of examination . Evaluation is also digitalized. In house software is used for this purpose.
