At IBM, careers are made from diverse and unlimited experiences. As an Associate Systems Engineer at IBM Services, you will have access to comprehensive benefits and career opportunities to grow in your career. You also get to work with the latest technology to help our clients with their mission critical work.

IBM India is inviting you to be part of our diverse team who meets the eligibility criteria mentioned to apply for open Associate engineering positions.

Criteria:

1. Course Completion Year: 2018/ 2019/ 2020/2021 only with less than 2 years experience.
2. Graduation and Post-Graduation: B.E/ B Tech/ MCA/ M.E./ MSc/ M Tech with 60% or 6 CGPA and no backlogs
3. Branch: IT and Semi IT branches only

Steps to Apply:

1. Apply to the Job Opening on the IBM career portal: <https://ibm.co/2T6onBe>
2. Candidate will receive an email that will have the candidate reference number.
3. Update the candidate reference number and complete the form: <https://ibm.co/3pu57Eb>

Company Profile:

IBM has been present in India since 1992. IBM India's solutions and services span all major industries including financial services, healthcare, government, automotive, telecommunications and education, among others. As a trusted partner with wide-ranging service capabilities, IBM helps clients transform and succeed in challenging circumstances. The diversity and breadth of the entire IBM portfolio of research, consulting, solutions, services, systems and software, uniquely distinguishes IBM India from other companies in the industry.

POSITION
