### Company Profile:

**CSS Corp Pvt. Ltd.** is a global customer experience and technology consulting services provider, disrupting the industry with a unique intersection of industry-leading proprietary solutions, resilient operations, and innovative business engagement models. It has emerged as a compelling alternative to the traditional IT and support service providers with its premium service offerings and differentiated value propositions that solve clients' critical business problems proactively. The company is a digital transformation partner of choice for its clients, which include the world's top innovators across industries, from mid-market players to large enterprises. Its diverse team of over 9,000 customer-centric thinkers, collaborators, and co-creators across 18 global locations, is passionate about helping clients succeed through intelligent automation-led outcomes. The company has overcome macroeconomic headwinds to become the industry's fastest growing and most awarded company in its revenue range.
