### Company Profile:

**About us:** Greetings from Infosys!

Infosys is a global leader in next-generation digital services and consulting. We enable more than 1,458 clients in 46 countries to navigate their digital transformation. We do it by enabling the enterprise with an AI-powered core, empowering the business with agile digital at scale, and our always-on learning agenda. Our team of 2,39,000+ employees makes this happen.

At Infosys, we have a [signature strategy](#) to help our employees move forward. We enable them to build technology solutions for the future, we ensure their career never stands still, and that we navigate further, together. Through always-on learning options, career opportunities through bridge programs, and training in advanced technologies, we help our people to achieve what they desire the most.

Our campus recruitment program will be conducted online this year. The test process would be a virtual online assessment and the shortlisted students would be required to undergo video interview to assess their technical and behavioral skills.
