## Company Profile:

Capgemini is a global leader in partnering with companies to transform and manage their business by harnessing the power of technology. The Group is guided everyday by its purpose of unleashing human energy through technology for an inclusive and sustainable future.Capgemini in India comprises over 143,000 team members working across 13 locations. We create opportunities for our colleagues to work on new-age technologies, along with the opportunity to travel internationally and work with the world's leading brands. Our +50-year growth story is built upon the workforce of the future, and we enable our talent to excel in their careers by focusing on continuous learning and up-skilling.If you have the passion, the right skill, and the aptitude to work with new technologies, then Capgemini is the place to get the future you want in your career. We cordially invite engineers from all streams and branches to register and apply. Please refer to the eligibility guidelines given below.

## ACADEMIC ELIGIBILITY CRITERIA

Referred candidates MUST meet ALL of the following criteria:

Should be graduating in 2021 / graduated in 2021

Should have 50% and above in Diploma, Graduation (aggregate of 7 semesters), and MCA (aggregate of 5 semesters)/ ME / M.Tech

No Percentage criteria for SSC and HSC scores

Qualification – MCA, BE / BTech (open for all branches for both BE and BTech)

ME / MTech students must be only from Information Technology, Information Science, and Computer Science

Must possess excellent English written/spoken communication skills

Must be open to relocate to any Capgemini location, work across technology, domain, role, and should be ready to work in shifts if required.

Should be open to signing a Service Level Agreement bond

Candidates should not have more than 1 year of gap between academic milestone stages; the academic milestone stages considered are 10$^{th}$ & 12$^{th}$ standard, and Post-Graduation.

Candidates should not have any gap within an academic milestone; the milestone academic stages considered are Xth, XIIth, Diploma, Degree, and Post-Graduation e.g. taking 5 years Vs 4 years to complete BE/B.Tech

Candidates who have taken Degree after Diploma should not have any gaps between Diploma and Degree

In case a candidate has appeared for XII more than once, the candidature will be considered provided both the mark sheets are available with an academic score of 50% or more in both attempts

Candidates should not have any backlog at the time of appearing for the process

Only shortlisted candidates will be invited for the test assessment/selection process

The entire selection process from test to interview will be done in virtual mode

Candidates will be responsible for arranging the required infrastructure for appearing for the selection process which will be conducted online

## Assessment Process

*Only those candidates who have cleared the test assessment (Step 1 to Step 3) will be invited for the interview. The Behavioral Profiling Module is for understanding the innate profile of the candidate, for which we will share a workstyle report with the students who complete the module.

*_Please note that receiving the workstyle report does not confirm the clearance of test assessment_

Post-registration in the tool you need to apply for the job profile to participate in the event.
