Company Profile

To all the Geek Goddesses out there,

Walmart invites students who are graduating in 2022 and 2023 to take part in CodeHers, India's biggest coding challenge, exclusively for women. CodeHers is your passport to join Walmart Global Tech India and innovate for the Fortune #1 company. Human-led and tech-empowered since 2002, we create omnichannel shopping experiences for our customers and members across the globe to help them save money and live better.

This challenge is an opportunity for young women from engineering colleges across India to land their dream job. Top coders will be shortlisted and interviewed virtually for full-time software development engineering roles at Walmart Global Tech India. The roles offered will be based out of Bangalore or Chennai offices.

Job Profile: Software Engineering

Location: Bangalore or Chennai

Salary: CTC of up to ₹35 lakhs

Other exciting rewards include:

Cash prize of ₹30,000 for top 30 coders

Pre-Placement Interviews (PPIs) for Software roles to top-performing candidates

Exciting **goodie kits** for all students clearing the interview process

<https://dare2compete.com/competition/walmart-codehers-2022-walmart-global-tech-india-266010>

Eligibility Criteria:

Walmart CodeHers 2022 is open to female students across all engineering colleges in India who are pursuing the following degrees in circuit branches (ECE, EE, EEE, IT, CS):

BE/B.Tech. full-time programs - Batch of 2022 and 2023 (1st and 2nd-year students are not eligible to apply)

Dual degree full-time program - Batch of 2022 and 2023 (1st/2nd/3rd-year students are not eligible to apply)

ME/M.Tech. full-time programs - Batch of 2022 (1st-year students are not eligible to apply)

Only candidates with a 7+ CGPA are eligible to apply. Any student not meeting this mark will be disqualified

Competition Structure:

Level 1 – MCQ Challenge to test your computer fundamentals with 25 objective questions that need to be solved in a stipulated time period.

Level 2 – Coding Challenge where shortlisted participants will get 90 minutes to present logical coding solutions to 2 problem statements.

Level 3 – Candidates who have attempted both rounds (Quiz and Coding Challenge) and have non-zero scores in both of them will be considered for the shortlist to the next round. All top coders who are shortlisted will be informed regarding our planned interview process commencing April 1st week, 2022.

Rewards

Top 30 students to get a cash prize of ₹30,000

Top coders to get Pre Placement Interviews and be interviewed for Software roles by tech experts at Walmart Global Tech India

Our software engineering salaries are in the range of ₹23-25 lakhs with ₹2.5-5 lakhs joining bonus and stock grants up to ₹5 lakhs

All students clearing our interview process to get exciting goodie kits!

We request you to kindly share this opportunity with the eligible students of your campus on priority and get to be a part of their growth!

Do reach out to me in case you need any more details at shraddhab@dare2compete.com

We look forward to your support in helping students find the best opportunities always.
