## ABOUT NEW HORIZON COLLEGE OF ENGINEERING (NHCE)

New Horizon College of Engineering is an Autonomous College affiliated to Visvesvaraya Technological University (VTU), approved by the All India Council for Technical Education (AICTE) & University Grants Commission (UGC). It is accredited by NAAC with 'A' grade & National Board of Accreditation (NBA). New Horizon College of Engineering is in the heart of the IT capital of India, Bangalore. The college campus is situated in the IT corridor of Bangalore surrounded by MNCs and IT giants such as Intel, Accenture, Capgemini, ARM, Symphony, Wipro, Nokia, JP Morgan and Cisco to name a few.

## About Department

The Department of Computer Science and Engineering at NHCE was established in 2001. It offers UG, PG and Ph.D programmes. The department has a total strength of 1000+ students along with highly qualified and experienced faculty. The CSE department strongly emphasizes on learning the fundamentals and analysis of latest technology to develop student's creativity and encourages them to take up projects with varying levels of complexity. The department ensures continuous skill enhancement for students along with holistic development through various club activities, workshops, conferences, seminars, etc. The department has two industry-supported labs, one in HPE on Big Data & Data Analytics. The another one is Robotic Process Automation (RPA).

## CONFERENCE PREAMBLE

The National Conference on Advancements in Computer Science and Engineering (NCACSE) provides a common forum for deliberations, sharing of recent trends, advancements and research in the areas of Computer Science. This conference will be a very good platform for academia, researchers, industry practitioners and technologists to discuss and present recent advances and research outcomes in the field of Computer Science and Engineering.

## CALL FOR PAPERS

The NCACSE-2022 invites full length original research contributions not submitted to any other journal/conferences. We invite technical papers on, but not limited to, following domains.

- Image Processing
