CIRCULAR

Subject: Regarding CIE and SEE of the scheme 2022
Reference: VTU/BGM/ACA/2022-23/4395, Dated 24.01.2022
 Draft Regulation Governing the award of B.E./ B.Tech Degree
 Approval of the Dean Faculty of Engineering dated 16.03.2023

Based on the queries received from stakeholders of the university to the undersigned, the following clarification is given related to CIE.

Para no. 01

The weightage of Continuous Internal Evaluation (CIE) is 50% and for Semester End Exam (SEE) is 50%. The minimum passing mark for the CIE is 40% of the maximum marks (20 marks out of 50). The minimum passing mark for the SEE is 35% of the maximum marks (18 marks out of 50). A student shall be deemed to have satisfied the academic requirements and earned the credits allotted to each subject/ course if the student secures a minimum of 40% (40 marks out of 100) in the total of the CIE (Continuous Internal Evaluation) and SEE (Semester End Examination) taken together.

For 1st semester B.E./B.Tech. programs (2022 scheme)

All courses of 1st-semester CIE and SEE shall be conducted as per the circular referred to above, however from 2nd semester onwards, the CIE and SEE shall be conducted as per the Regulations Governing the award of degree B.E./B.Tech.

For 1 credit course	For CIE-Two tests of each 30 marks, and two assignments for each of 20 marks. The sum of two tests and two assignments will be scaled down to 50 marks.
For 2 credits and 3 credit courses	For CIE-Three tests of each 20 marks, and two assignments for each of 20 marks. The sum of three tests and two assignments shall be scaled down to 50 marks
For 4 credits (integrated) course	For CIE- for the theory component -Three tests of each 20 marks, and two assignments for each of 10 marks. The sum of three tests and two assignments will be scaled down to 30 marks. For the practical component-15 marks for the conduction of the experiments and preparation of the record (Journal) and one test after completion of all experiments for 50 marks shall be scaled down to 05 marks. The total marks for the practical component will be 20 Please note: as per para number 01, each student has to secure a minimum of 40% marks of the maximum marks meant both for the theory as well as practical components of the integrated course individually.

However, if any of the colleges have followed the guidelines given in (draft) regulations for CIE components, they have to scale down the scored marks to 50 ensuring that students have

B

secured a minimum of 40% marks in both theory and practical components of an integrated course individually.

All the Principals of affiliated colleges and a constituent college of Engineering are hereby informed to bring the same to all concerned.
